

LECTURE COURSE DATES ANNOUNCED

Prof. Rife Selects Excellent Lecturers and Entertainers for Season of 1910-11.

Prof. Rife announces the following numbers of the lecture course for the coming season:—

OCTOBER 28, VASSAR GIRLS

This is a good clean musical event of superior quality, free from any suspicion of coarseness or cheapness. They play Wagner, grand opera, or selections from the latest musical comedies. The company includes:

A sextette of saxophones, a septette of brass instruments, cornets and trombones, a septette of wood wind instruments; flute, clarinets, oboe and bassoon, a quartette of clarinets corresponding to tenor, soprano, alto and bass of the human voice, a quartette of wind instruments: flute, clarinet, oboe and bassoon, such as is used by symphony orchestras, trios and duets in various combinations of instruments; instrumental solos on flute, clarinet, trombone, saxophone, oboe, bassoon. Vocal soloist, Miss Olive Greatrex.

DECEMBER 2, HYRON-C. PLATT.

"The Mass against the Man." This is a sane but searching inquiry into the social unrest of our time, with its bearing upon the industrial problem. The lecture has the indorsement of Upton Sinclair, author of the "Jungle." Dr. Platt will ask and answer questions like the following:

What the social question is and what has produced it.

Is the mass crushing the man or the man the mass?

Is Kipling any more of a social necessity than the garbage man?

Shall we use men to make money or money to make men?

Will the civilization of the future be competitive or co-operative?

FEBRUARY 27, THE CENTRAL GRAND CONCERT COMPANY.

In banding together the notable artists who compose the Central Grand Company we are inclined to felicitate ourselves on the achievement of a great triumph. Four such imposing figures are not often assembled in one company. Maximilian Dick, on whom high honors have been showered by the musical centers of Europe, stands unrivaled among American violinists. Miss Edith Adams has won for herself the distinction of being one of the most artistic and brilliant women cellists of the age. Miss Louise Merrill with her wonderful mezzo soprano voice, already ranks with the greatest singers of America, with the best achievements of her life before her. Adolph Knauer is a master of the piano whose performances hold his auditors spell-bound with amazement and delight. Altogether the material of which the Central Grand Company is made up is sufficient to insure it a grand ovation wherever it appears. Every one of the artists is a great soloist, but while solo numbers will be included in every program a special feature of each will be the concerted numbers, in which the full strength of the company will be engaged.

MARCH 5, CAROLINA JUBILEE SINGERS.

The original Carolinian Jubilee Singers is one of the oldest Jubilee companies in existence. It was originally organized in 1882 and reorganized in 1891. The musicians now in the company have sung together for eleven consecutive years and in that time have given over twenty-four hundred concerts. Each member of the company is a splendid musician and a worthy member of society, each proud of his untarnished name. They have a repertoire of over three hundred songs and give a program of unusual variety, including solo, quartettes, old plantation songs, negro melodies, and a great variety of the old fashioned jubilee songs.

MARCH 23, LINCOLN M'CONNELL.

In "The Blue Coat vs. The Red Flag" or "The cause and cure of lawlessness." Lincoln McConnell is a man with a mission on earth, and that to make it brighter, better, happier. He is our optimist by birth, breeding and instinct. He believes in God and he believes in man, and he has a way of making others share his faith. If you want to feel glad you are living and have a share in the battles of life, then hear McConnell. Tickets good for the entire course will be sold at the usual price, \$1.00. Reserved seats, ten cents additional for each entertainment. Pupils of the public school will be offered a ticket at 50 cents. The reserved seats will be on sale at Stokes Drug Store five or six days before each number of the course.

COLBURN MACHINE GLASS COMPANY IS BEING RE-ORGANIZED THIS WEEK

RETURN TO BOYHOOD HOME AFTER FIFTY-TWO YEARS OF ABSENCE

Cathcart Brothers Left Oliver Township for Illinois in Covered Wagons in 1858.

In 1858 Joseph and William Cathcart, two boys of 15 and 12 years, respectively, left Oliver township, Jefferson county, in company with their parents, in two covered wagons, with six head of horses, and travelled across Western Pennsylvania, Ohio, Indiana, and part of Illinois, to Rock Island county, in the latter state, where the family settled. A few years later, when there was a call for men during the war, the boys enlisted in an Illinois regiment and fought until honorably discharged. Returning after the war, they went to Nemaha, Nebraska, where they took up a claim and have ever since resided. They had not been east since, until ten days ago, when they went to Atlantic City to attend the National Encampment of the Grand Army of the Republic. They are now in Jefferson county and during the next three weeks will visit with old friends in Oliver township, in Punxsutawney and other places. Dr. J. B. Neale, of Reynoldsville, is a relative of the Cathcart brothers and they spent Sunday in Reynoldsville with him.

Was a Former Prominent Resident of Sykesville.

A. S. Phillippi, of Homer City, for many years a resident of Sykesville, died last Thursday morning in the Adrian Hospital at Punxsutawney. Dilatation of the heart caused his demise. He went to Homer City five years ago as a mine boss and had since resided there.

He is survived by his wife, who is at present visiting in California, three daughters and three sons: Mrs. William Keilar, of Eleanora; Mrs. J. W. Eaton, of Sykesville; Virginia, at home; Floyd, of Homer City; Rexford and William at home. Mrs. Mirava Strauss, of Reynoldsville; Mrs. J. H. Sykes, of Sykesville; Mrs. William P. Fulton, of Nevada, are sisters of the deceased, and John W. Phillippi, of California, is a brother. W. O. Smith, of Punxsutawney is a cousin of the deceased.

PRIZES OFFERED BY THE PENNSYLVANIA TO TRACK SUPERVISORS

With a view to maintaining a healthy rivalry among its track Supervisors and Assistant Supervisors, the Pennsylvania Railroad distributes annually the sum of \$5,400, in premiums to those whose divisions have been kept in the most perfect condition during the year. The premiums for 1910, six in number, were distributed September 22nd at Harrisburg at the close of the first day of the General Manager's Thirty-Eighth Annual Track Inspection, on which the General Manager was accompanied by his entire staff of officers, including some 350 men in the Operating Department of the railroad.

To insure that the premiums shall be awarded upon accurate data, a committee of Maintenance of Way officers goes over the line every few weeks during the year in a car attached to one of the regular high speed trains. Two glasses of water are placed on the sills of two rear windows and every spill of water is counted against the score of the section of track over which the train is passing. To make the record ever more accurate, an instrument has been especially designed to register every vibration of the car, either vertically or horizontally. The smaller the amount of vibration, the better the track.

Probable That New Officials will be Chosen and Quick Action is Expected from Them.

Word has been received by officers of the Star Glass Company in Reynoldsville that re-organization is in progress in the Colburn Machine Glass Company and that this week a meeting will be held in Franklin to complete their plans. After this meeting it is expected that some definite announcement will be made by the Colburn company relative to resumption of operations in the local plant.

WELL KNOWN COUPLE WERE MARRIED ON LABOR DAY.

Reese W. Williams and Mrs. Cordelia Saxton Make Known Ceremony that Occurred a Month Ago.

On the evening of Monday, September 2nd, 1910, the Rev. John F. Black, pastor of the Reynoldsville M. E. church, officiated at a wedding ceremony which has just become generally known. The contracting parties were Reese W. Williams, a well known resident of Jackson street, and Mrs. Cordelia Saxton, of East Main street. The morning following the ceremony the bride went to Franklin, where she has since remained visiting relatives. Within the next week she will return to Reynoldsville and the couple will then go to housekeeping in Mr. Williams' home on Jackson street.

Both bride and groom are known to hundreds of local people and their congratulations will be none the less sincere on account of the delay in learning of the event.

PITTSBURGH'S LAND SHOW IS ATTRACTING ATTENTION

By the combined efforts of two of Pittsburgh's most influential newspapers and a committee of its leading business men, a corporation has been organized to promote the inauguration of a mammoth Land Show which will be held in that city Oct. 17th to 29th. The show will be held in the Duquesne Garden at Pittsburgh and will be known as the National Land and Irrigation Exposition and will consist of instructive exhibits of land interest from all parts of the United States. There will be models of the most recently constructed irrigation systems, model villages, and samples of earth products from every section. The exposition, which will be the very largest of its kind ever held in the east, will be similar to that given at the Coliseum, in Chicago last November, which attracted over three hundred thousand visitors during its short duration of two weeks.

TEMPERANCE RALLY IN THE BEECHWOODS WELL ATTENDED

The temperance rally in the Beechwoods last Wednesday was very successful, hundreds of people attending and seeming to take a deep interest in the addresses made by Rev. D. A. Platt and Hon. Eugene W. Chaffin, the latter the former Prohibition candidate for President of the United States. In the evening Mr. Chaffin also addressed a large audience in the K. of P. Hall at Westville. The program was interspersed with good singing throughout the day. A male chorus of eight voices rendered good music, and solos were sung with good effect by Mrs. Francis Morrison and Prof. Smith, of Reynoldsville.

EYCITING TENNIS MATCH PLAYED AT BIG RUN

One of the most exciting tennis match contests ever participated in by local players took place at Big Run Thursday last when K. C. Schuckers and Clyde C. Murray, of Reynoldsville, met Dr. Newcome and Will H. Tyson on the grounds of the latter. Each team took two sets. Messrs. Newcome and Tyson started off in whirlwind fashion by taking six straight games, but the next two sets, which were deuce sets, were won by Schuckers and Murray by scores of 8-6 and 7-5. In the last set, which was also run to deuce, the score was 8-6 in favor of the gentlemen from Big Run. The playing was so fast and fierce that one of the participants, Clyde Murray, has not yet recovered from an attack of grip following the severe exertion of the games.

DUBOIS MAY LOSE ONE OF ITS IMPORTANT INDUSTRIES

The American-Belgian-French Glass Company of DuBois has decided to leave DuBois on account of the high rates charged for gas for manufacturing purposes. The increasing cost of gas will shortly force all glass plants operating in this section to put in gas producers or go out of business.

REA BEE & HONEY CO. FIGURES IN A DEAL

George H. Rea Becomes the Sole Owner of the Company's Property.

As the result of a deal concluded last week, George H. Rea becomes the sole owner of all the property and rights of the Rea Bee & Honey Company, one of the largest honey producing concerns in Pennsylvania. This also includes the large wholesale business in bee keepers' supplies operated by the company in Reynoldsville.

Mr. Rea has been the active manager of the company's business since its organization, so that the change in firm name will not mean any material change in the policy of the concern. It is Mr. Rea's intention to widen the scope of the company's local operations if possible, and he has already made a move in that direction.

LEFT REYNOLDSVILLE THIRTY-FIVE YEARS AGO

Andrew Ulrich, of Emporium, is in Reynoldsville this week. Part of Mr. Ulrich's business here is to sell nursery stock and other material, but another object and possibly more important is to shake hands with friends of his boyhood days. Mr. Ulrich was a gunsmith in Reynoldsville 35 years ago, when the town was but a village in the woods, and had a shop on the lot now occupied by the residence of Miss Lois Robinson. Of his friends of those days, few are now around, but when he does meet one of the old timers it is worth your while to hang around and listen to the tales of pranks played by the youths of other days.

MISS ELSIE ROSS VICTIM OF SMALL POX IN INDIA

Letter Received Yesterday States that She is Now Out of Danger and Will Recover.

A letter was received in Reynoldsville last week stating that Miss Elsie Ross, daughter of J. B. Ross, of this place, who went to India over a year ago as a missionary, was ill with small pox. The case was not a severe one and no serious results were apprehended when the letter was written. Miss Ross had been granted a short vacation and was riding in a railway car to another part of India, when it is thought she contracted the disease through the presence in the car of another person who was suffering with it.

A letter received from India yesterday afternoon stated that Miss Ross was doing well and that all danger was past. This letter was written the first week in September.

J. H. Hughes, the undertaker, was severely injured Monday by falling from the top of a wagon load of baled hay to the ground. The accident happened near the Pennsylvania freight station. OCTOBER 15 THE TEACHERS MEET

In Assembly Hall, Reynoldsville, To Further Discuss the New System of Grading.

At the two teachers' meetings held recently the new state course of study for the elementary schools was distributed to about two hundred and fifty of the teachers; those teachers who did not in this manner secure the course of study should write to me for the same enclosing a self addressed and stamped envelope; it is the duty of every teacher in the county and state to have and use a copy of this course of study. The method of adapting the course to the ungraded schools by "alternation" was fully explained at the teachers' meetings; those who did not attend these meetings should carefully study the brief outline of alternation as presented in the county papers three weeks ago.

By vote of the teachers present at the last meeting two more meetings were ordered, one at Brookville in the forenoon of Saturday, October 15th, and one at Reynoldsville in the afternoon of Saturday, October 15th; the forenoon meeting will begin at 9:00 o'clock and the afternoon meeting at 1:30. Instruction in writing and drawing will be the principal work at these meetings; but one period will be taken for a general conference; those who did not attend either of the other meetings are urged to attend one of these; you need the help especially in the method of using the course of study.

At these meetings announcement was made that a spelling contest will be held at the county institute; each school will be entitled to send two representatives. Teachers will also be asked to bring display work to the institute. Further announcement concerning these events will be found in the institute book.

Teachers are requested to find out if any of their pupils expect to take part in the contests of the Boys' and Girls' Clubs, and to inform them that all who expect to compete in these contests must notify me on or before October 15th. Only those thus notifying me will be allowed to compete. I must know how many contestants there will be in order to know what arrangements to make. Teachers, please do this as otherwise there will be misunderstanding and disappointment among the boys and girls.

L. MAYNE JONES, County Supt.

THE TIME, THE PLACE AND THE GIRL PLEASED CROWD

Reynoldsville people will ask nothing better of Manager Fisher, of the Adelphi Theatre, than a repetition of such treats as he gave them Monday night in "The Time, the Place and the Girl." The show was superb in every way and pleased equally with its entrancing music and rapid fire humor. There was not a moment from the time the curtain went up until the last word of the comedy that the audience was not intently interested. The special scenery carried by the company was very effective while the stars of the cast carried their parts well. It was the breeziest bit of fun that has been seen at the Adelphi yet.

HEAVY YIELD OF FRUIT.

Speaking of the yield of fruit in Jefferson county, we have learned of an instance where 500 quarts of plums were taken from six trees and 15 bushels of pears from two trees. The latter sold at \$1.50 per bushel. This was done on the farm of Mr. and Mrs. Amos Deemer, about two miles west of Reynoldsville. What more encouragement can the farmers of the county need to pay attention to the fruit raising end of their business.

VETERANS WENT TO GETTYSBURG.

The following persons went to Gettysburg Saturday morning to be present at the presentation of the monument on the historic old battle field Tuesday: John M. Hays, wife and grandson, Paul Ferguson, S. E. Brillhart and wife, Thomas Black, George W. Warnick, John Hoffman, Benjamin Haugh, E. L. Evans, Francis W. Groves, Samuel Sutter, Jacob Henninger, and John Warnick, Jr.

I do not believe in machine slating politics; this is a Republic and the people have a right to govern themselves. Elmer E. Beck for Assembly.
