

## NEWS OF GENERAL INTEREST IN TOWN COUNTY AND STATE

Dan Williams had the index finger of one hand badly crushed while employed at the steel plant Monday.

Mrs. William Eufor entertained a small number of her friends at her home on Main street Monday evening.

The W. C. T. U. will hold a meeting at the home of J. Morris Smith, on Jackson street, Thursday afternoon at 2.30 o'clock.

The Ladies Aid Society of the Lutheran church will hold a market in Millers' meat market Saturday afternoon and evening.

The Presbyterian Work Society will hold a bazaar November 10th in the chapel of the church. Chicken and waffle supper will be held in connection.

The October committee of the Ladies Work Society of the Presbyterian church will hold a social at the home of Mrs. George Kline Friday evening, October 21.

The Inter So Society will meet this Wednesday, afternoon, at the home of Mrs. Charles A. Herpel, in West Reynolds. Meeting will convene at 2.30 o'clock.

Revival meetings will start in the Methodist Episcopal church in Reynolds Sunday evening, October 23rd, and will be conducted by Rev. Black alone.

Dr. A. J. Meek and E. D. Davis are attending the State Convention of the Baptist church at Franklin, Pa., this week. They left yesterday and will return Friday.

About sixteen ladies of the L. C. B. A. of this place spent Thursday evening at the home of Miss Mary Donnelly, at Eleanor. The guests were most royally entertained and were served with an excellent lunch.

J. Ellis, of Bradford City Steam Laundry, added a new improvement to Reynolds this week. Please note his ad at the City Hotel and give him your patronage. August Walters, local agent and shoe shining artist.

James E. Mitchell and family were in Reynolds yesterday attending the Shields-Mitchell wedding. Mr. Mitchell has decided to move his tailoring business from Kane to Clarksburg, West Virginia, and will be located there after this week.

Missionary J. E. Kirkwood last Sunday gave three addresses, taught Sunday School lesson twice, sang two solos, organized a C. E. society, a Home Department, and a Cradle Roll.

At the Baptist parsonage Tuesday afternoon, October 18, Charles H. Smith, of Leechburg, and Miss Nettie May Carlson, of Rathmel, were united in marriage by the Rev. Dr. A. J. Meek.

Mrs. Irvin M. Hoch, of West Reynolds, was taken to the Mercy Hospital in Pittsburgh Thursday of last week to undergo an operation for appendicitis. She passed through the ordeal Friday and rallied. The latest reports are that she is improving rapidly. Dr. J. R. Neale and her husband, I. M. Hoch, were in Pittsburgh at the time of the operation.

Miss Ella Rush, of Bedford, Pa., a lady who was well known in Reynolds through her visits to the home of her sister, Mrs. M. J. Farrell, is now in the Mercy Hospital at Pittsburgh and the physicians state that it is hardly possible for her to live longer than a week. Mrs. Farrell and daughter Miss Ella, were at her bedside part of last week. The former went to Bedford Saturday and Miss Farrell returned to Reynolds.

Through the Business Men's Association the Reynoldsville Brick & Tile Company has voluntarily offered to contribute enough brick to lay a walk from the borough line to any of the industries on the hill south of town. This is an improvement that has been badly needed for many years and it is probable that some quick action will be taken by the Association to take advantage of the generosity of the Brick and Tile Company.

A pugilistic looking gentleman who represented himself as a reporter for the New York Journal, was in Reynolds last week and received considerable attention on account of his claims. Monday morning he jumped his board bill at the Imperial and also left a few other little debts around town. He may have been what he represented himself to be but he will have a hard time convincing a few Reynoldsville people that he is not a rank fakir.

## ITALIAN CELEBRATION WAS SUCCESSFUL

The Italian celebration held in Reynoldsville last Wednesday attracted a large crowd of natives of Italy and the program was carried out in a very creditable manner. Probably the finest feature of the celebration was the music furnished by the Rossiter and Johnsonburg Italian bands. Both organizations displayed skill and talent and when they gave street concerts during the days of celebration they never failed to draw a good sized crowd. The parade Wednesday afternoon was long, and it was noted that excellent order was maintained. The float of the flagship of Columbus attracted much attention. No announcement of the winners of prizes has yet been made, and will not be until after the financial affairs of the celebration are settled.

30 Days Trial in your own Home

\$1 A Week Payments

These are the remarkably liberal terms upon which we sell that new and improved sewing machine which was recently invented by Wm. C. Free, which has been so widely advertised in Women's Magazines, and which is revolutionizing the sewing machine business,

## The FREE Sewing Machine

Because of the fact that The FREE is sold so much lower than the best known sewing machines, we have agreed never to publish the price broadcast. You would judge its quality by its cost. You would not believe that absolutely the best sewing machine in the world could be obtained at such a bargain.

So instead of talking price, we have decided to make it easy for you to own The FREE and find out its quality yourself. We will sell it to you at your own terms, as low as \$1.00 a week, and to show you how we place our whole establishment back of this wonderfully perfect machine without the least qualification, we offer it to you on 30 days Trial in your own home. Sew on it for 30 days. Give it any hard test you can think of for 30 days. Compare it point by point with any other machine. Then if you have not been convinced that it is the best machine you ever heard of, the most convenient, the most improved, and if the low price does not delight you—return the machine to us. We will refund your deposit so that the trial will not cost you one cent.

Our reason for making you this offer is to save you notice how much lighter in weight ball bearings make it run.

- how much faster its Rotocello Movement makes it run
- how much easier it is to use its Shuttle Ejector than your finger nails or screw driver
- how much better it is to have a Rotary Spool Pin that keeps thread from breaking or tightening
- how much more ornamental its French-leg design and dainty appearing are
- how much more convenient it is to have an Automatic Tension Release, Automatic Locking drawers, an Improved Head Latch, a Belt that never comes off, and a 5 years Insurance Policy against every kind of accident.

So Come and See The FREE tomorrow and take it home with you

Every Accommodation Consistent with Careful Banking

THE MAN who has saved nothing has yet to make a beginning. Each day's delay makes the start more difficult. Tasks that are easy for us when we are young, become burdensome when we are old, and as we are younger to-day than we will ever be again, it will be easier to start to save to-day than to-morrow.

We invite your account, even it is only one dollar to start with.
