

MASONIC BANQUET WAS A SUCCESS

The thirty-fourth anniversary banquet of John M. Read Lodge, F. & A. M., of Reynoldsville, held in the I. O. O. F. hall Friday evening of last week, was a brilliant affair and a pleasant one for all in attendance. Covers were spread for eighty couples and all the appointments were perfect. The table decorations were flowers furnished and arranged under the direction of Mrs. M. Brown and elaborate printed menu booklets with an embossed blue and gold emblematic cover were placed beside each plate. During the progress of the banquet a musical program was rendered by the Masonic orchestra, consisting of Arthur H. Haskins, D. H. Young, Edward B. Maurey, Carl L. Kirk, Richard Ramsey, Harry L. McEntire, Frank P. Alexander and Calvin A. Stahlman. Following were the selections:

- | | |
|-----------------------|----------------------|
| Birds and Breezes | Looka |
| The Girl of My Dreams | Emerson |
| A Southern Dream | Lincoln |
| Blue Feather | Morse |
| Sentry March | Haskins |
| Good-Night Dear | Anderson |
| Overture | Orchestra |
| Solo | Arthur H. Haskins |
| Instrumental Solo | Miss Kathryn King |
| Selection | Orchestra |
| Solo | Frank P. Alexander |
| A Few Minutes of Fun | Edward B. Maurey |
| | Auld Lang Syne. |
| Selection | Orchestra |
| Cotillion | David Reynolds, Esq. |
| Good-Night Dear | Orchestra |

At the close of the feast, Toastmaster William M. Rife, in a neat speech, introduced a program of music and song and fun which continued for over an hour, the leading numbers of which were as follows:

When the soul stirring strains of David Reynolds' violin floated across the room, there was an irresistible inclination to trip the light fantastic and the room was cleared for the purpose. The old time cotillions were rendered by Mr. Reynolds as only he knows how they were played half a century ago, and many of the older people present, who had not danced for years, simply could not resist the temptation to renew the memories of youth and danced the evening out.

All in all it was a gathering that will be remembered by those participating for many years to come, and its success reflects credit on the Worshipful Master and Secretary, Harry L. McEntire and William Copping, who arranged all of the details of the affair.

INTER-CLASS MEET SATURDAY

The Reynoldsville High School will hold an inter-class meet on the baseball ground in this place Saturday afternoon, October 29th, commencing at 1 o'clock. This meet is held for the double purpose of stimulating interest in athletics among the high school, and to raise a little money to purchase needed apparatus for the high school work. An admission fee of ten cents will be asked of all who attend and it is hoped that the "grandstand" will be filled to capacity. The boys made good records at Brookville Saturday and the local people will be given an opportunity to see some of the feats of that occasion repeated.

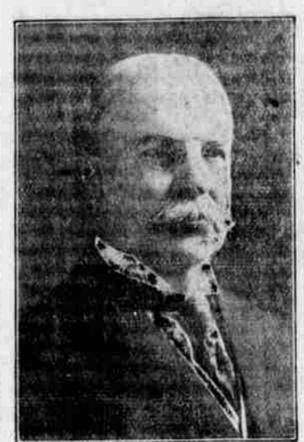

"ARRIVAL OF KITTY" COMING

One of the most promising of this season's new dramatic offerings is Doherty-Collins & Co's production of Norman Lee Swartout's delightful farce-comedy, "The Arrival of Kitty." The piece is said to be one of the brightest and most potent laugh-producers created since the days of the Hoyt farces, and, in fact, it is in some ways similar to those old masterpieces of wit and humor though it is entirely new and original in theme and treatment. Mr. Swartout already holds an enviable place among contemporary writers of farce comedy in this country through his creation of "Sandy" and several kindred pieces but it is said that he has eclipsed all his previous efforts in "The Arrival of Kitty." Doherty-Collins & Co., who are successful producers of this line of dramas, promise to give their new comedy a thoroughly adequate presentation and to provide a company of unusual excellence. One of the particular attractive features of the performance will be a number of bright and clever specialties which will be interspersed. "The Arrival of Kitty" will be given in Adelphi Theater, Reynoldsville, Monday, October 31.

It elected I will be fair to all my constituents and partial to none. Elmer E. Beck, for Assembly.

PROHIBITION CANDIDATES COMING NEXT FRIDAY

College, Wilmore, Ky., a former candidate for vice president of the United States, will be in Reynoldsville Friday night of this week, October 28th and will speak in the Centennial hall. Larkin is a man of the finest stamp,

standing high in business circles in the eastern part of the state, and Watkins has a national reputation as a lecturer. Those who attend this rally will hear three of the best political speakers on the stump to-day.

Miss Ada Thomas, daughter of Mr. and Mrs. R. J. Thomas, of Butler former residents of Reynoldsville, was married Wednesday noon at Youngwood, Pa., the ceremony being performed in the Lutheran parsonage by the Rev. Henry Shanor an uncle of the groom. Mr. and Mrs. Shanor had their home all furnished ready to occupy. The Butler City's n. commenting on the marriage says:

The bride is a well-known and popular young lady of this city and many friends will join in wishing her much happiness. Mr. Shanor is the treasurer of the Sutter Pure Milk Company, which has several plants in the county, and is the manager of the local plant. He is a capable young business man and has a large circle of friends. On next Tuesday they will leave for Chicago to attend the American Dairy Show.

ELK CLUB ROOMS OPEN TO TEACHERS

One of the finest suites of club rooms in Jefferson county will be thrown open to the teachers of the county when they visit Reynoldsville during the coming annual institute.

By a practically unanimous vote the members of Reynoldsville Lodge No. 519, B. P. O. Elks, at a special meeting held last Friday evening, decided to extend this courtesy to the teachers. It is the desire of the citizens of Reynoldsville that the teachers shall this year have the most enjoyable institute in the history of the county and homes, clubs and public houses will be wide open to them. The use of the Elks rooms will permit social gatherings of all kinds, games, music and dancing.

When the teachers come to Reynoldsville they will go direct to the Elk rooms, where a secretary will be in waiting and will direct them to the homes and hotels in the town where rooms or boarding may be secured. A score or so of messenger boys will be in readiness to accompany them to any point in the town desired. The rooms are very close to the Adelphi Theatre, where the sessions will be held, and at the close of the sessions the teachers will be at liberty to use these rooms for any form of harmless recreation they choose.

A vote of thanks is certainly due the local lodge of Elks for their courteous action. It means considerable extra expense to them and a sacrifice of their own holiday program, but it shows the true brand of Reynoldsville hospitality.

BERRY CAMPAIGNERS GIVEN WARM WELCOME

William H. Berry, candidate of the Keystone party for governor of Pennsylvania, was well received by the local people last Friday night and spoke to an audience that filled the Centennial hall in every part. A large number of prominent citizens were on the platform as vice-presidents. Since his former visits to Reynoldsville Berry has improved as a campaign speaker and succeeded in holding the close attention of his audience. Most of his charges were directed against the men identified with the old capital graft charges, rather than against the heads of the present opposition tickets.

The Berry supporters in town, and they are not a few, are now planning to make an active campaign for their candidate and have organized a club for that purpose.

FIELD MEET AT COUNTY SEAT

The Reynoldsville High School Field and Track Team journeyed to Brookville Saturday where they took part in the annual meet under the auspices of the Brookville high school and won third place among the schools contesting. When we remember that the team had little chance to train and almost no coaching, the results achieved are very gratifying to our boys and their friends.

Reynoldsville.....23 points won.
Beechwoods.....16 points won.
Brookwayville.....10 points won.

The program of events was not concluded till after dark. The men in the half-mile relay had difficulty in finding their mates. Punxsutawney won the event. Reynoldsville was awarded second place, Dehart, Nolan, K. Alexander and Cochran constituting the team. No time recorded.

In the standing broad jump, Watson tied Halfer, of Brookville, at 8 feet, 4 1/2 inches. By the time this event was called the darkness was so intense that the judges were obliged to call in a passing automobile to furnish the jumpers and judges the necessary light.

The occasion was a very delightful one. The contestants and their teachers had the privilege of the Y. M. C. A. rooms, a substantial lunch and a fine dinner in the evening. The Brookville people are winners as hosts as well as athletes. Our boys shall welcome their next invitation.

QUEER EPITAPH IN CEMETERY

A few weeks ago there was erected in a cemetery near Big Run a tombstone over the grave of a woman who died in a county hospital recently. The husband of the woman has a grudge of considerable proportions against the medical fraternity and takes it out in the epitaph, which reads in part as follows:

- Examination refused (quack)

- 12 hours later marched
- Thru room
- 4 oz of salts are

LECTURE COURSE SEASON WILL OPEN FRIDAY NIGHT

With all the talk of the institute attractions, the local people are in danger of forgetting that the usual lecture course will be given in the Assembly hall this year, and that the talent will be equal to that of any past year. The school children have been making an active canvas of the town during the last few weeks and the sale of tickets has been very fair. The first attraction will be given Friday night of this week, October 28th, and is of exceptional merit. A concert has always filled Assembly hall and no doubt will on this occasion. The following is a good description of The Vassar Girls, who are booked to appear: This company is the outgrowth of an ideal. About ten years ago a gentleman of some means and liberal inclination conceived the idea of educating a double quartette of girls for high class concert work. With ample means and not impatient of time, he selected from the wide circle of his acquaintance eight girls of superior character and musical ability and furnished them means to complete their literary and musical education, guiding the latter in the direction of their contemplated work.

The selection of personnel of a company five years in advance of their first engagement, is something unique in the history of company organization and gives Vassar Girls a distinction enjoyed by no other. After these years of schooling and special preparation, the eight original girls appeared in concert in an eastern city and their success was instantaneous and eminently justified the time, expense and work required to perfect their musical education, make solo artists of each individual and make them a unit in their ensemble work.

For five years this company of educated, cultured and refined young women has honored its name, the Eight Vassar Girls, in a high class musical event in the best advanced vaudeville in the leading cities of the United States, and has demonstrated as have many of the great artists of the world, that a good, clean musical event of superior quality, free from any suspicion of coarseness or cheapness will appreciate and applause on its merits everywhere. So great has been their success that practically all their time for five years has been consumed in return date work in twenty or thirty cities through which they made their tour, such as New York, Philadelphia, Buffalo, Pittsburg, Cleveland, Cincinnati, Chicago, Minneapolis, St. Louis, Kansas City, Omaha, Denver and San Francisco, where ever-increasing audiences have greeted them.

NEW QUARTERS FOR B. M. A.

The leasing of the second floor of the I. O. O. F. building to the Owls for club purposes made necessary the securing of a new meeting place for the Business Men's Association. At the last meeting of the B. P. O. Elks in Reynoldsville, it was voted to allow the Association to use the social rooms of their quarters as a meeting place free of charge. The invitation will be accepted by the Association and the organization will meet there the second and fourth Tuesdays of each month until such time as they can rent and properly equip special rooms for their own use. All citizens are requested to attend these meetings of the Association and take part in work that is being carried on.

HOME WEDDING IN BEECHWOODS

A wedding of exceptional interest took place last week at the home of Mr. and Mrs. J. B. Smith, in the Beechwoods, when their daughter, Miss Ada J. Smith, became the bride of W. Vernon Britton. The couple were ushered into the parlor of the home, which had been appropriately decorated, to the strains of a wedding march played by Mrs. G. H. Hill, and the ceremony was performed by Rev. G. H. Hill, pastor of the Beechwoods Presbyterian church, assisted by Rev. Hosac, of Blairsville. The bridesmaid was Miss Edna Britton, sister of the groom, and the groomsmen W. W. Smith, a brother of the bride. The ring ceremony was used. After the ceremony the wedding dinner was served to the assembled guests, and following that the happy couple were taken to Falls Creek in time to catch the 1:08 P. M. R. & P. flyer for Buffalo, Niagara Falls and Toronto. They will be absent ten days and after their return will make their home in the Beechwoods.

Mr. Britton and his bride come from two of the best families in Beechwoods. The bride is the youngest daughter of Mr. and Mrs. J. B. Smith and was one of Washington township's best school teachers. She is loved and highly esteemed by all her friends. The groom is the youngest son of Mrs. Lydia Britton. He is an honest and industrious young man. The many friends of Mr. and Mrs. Britton wish them a long and prosperous journey through life.
