NO MORE RUNNING SORE.

Stoke & Feicht Drug Co. Sells an Ointment Called San Cura That is a Positive Cure.

If you know any people who suffer from old or running sores, tell them about San Cura Ointment, and they will bless you as long as they live.

It matters not how old, persistent or poisonous the sore is, San Cura Ointment, the powerful antiseptic, will draw out every particle of poison and promptly heal the sore.

So sure of this are the owners, the Thompson Medical Co., that they have authorized Stoke & Feicht Drug Co., to return the purchase price if San Cura Ointment doesn't do all this paper says it will do. No fairer offer was ever made.

R. D. Dutton, Titusville, Pa., knows that San Cura Ointment will cure sores, and in the interest of suffering humanity he constantly praises its marvelous curative virtues. He says: "My arm was covered with twenty-four running sores, and swollen to twice its natural size. San Cura Ointment removed the pain, drew out the poison and healed the arm in an incredibly short time. It is the greatest compound for healing I ever used."

The mighty healing powers of San Cura Ointment is little short of marvelous. It gives instant relief, and is guaranteed to cure salt rheum, eczema, bleeding itching or protruding piles, ulcers, sores, carbuncles, chapped hands, and chilblains. For cuts, burns, scalds and bruises, it stops all pain quickly, and heals promptly. 25c and 50c a jar. By mail on receipt of price, if your druggist is out of it or does not keep it.
