CURING CATARRH.

Accept Our Advice and Try This Remedy at Our Risk.

Catarrh is a disease of the mucous membrane. The mucous membrane is, one may say, the interior lining of the body. Catarrh therefore may exist in any part of the system.

When the catarrhal poison attacks the mucous membrane, inflammation and congestion are produced and nature falls to throw off the accumulated poisons. The organ which has been afflicted ceases to perform its proper function as nature intended it should. The result is, complication upon complication, which may lead to other even more serious afflictions.

We honestly believe Rexall Muc-Tone will do wonders toward overcoming catarrh. It is made from the prescription of an eminent physician who made a long study of catarrh, and his great success with this remedy was an enviable one.

We want you if you are a sufferer from catarrh in any form, to give Rexall Muc-Tone a thorough trial. Use it with regularity and persistency for a reasonable time, then if you are not satisfied, come back and tell us, and without question or formality we will hand back to you every cent you paid us. This is certainly the fairest offer that any one could make and should attest our sincerity of purpose. It comes in two sizes, prices 50 cents and \$1.00. Remember you can obtain it only at—The Rexall Store.

John Burkhouse, of near Reynoldsville, will go to Clarion county this week to spend several months.

E. D. Davis went to Clarion county Friday to attend the funeral of a friend, returning Saturday.

Mrs. J. Owen Edelbute was in Brookville last Friday and Saturday attending a meeting of the D. A. R.

Graydon Robinson, who has been at Ridgeway several months, spent the past week at his home in Reynoldsville.

Mrs. C. R. Hall, of this place, joined a party of autoists at Brookville Thursday last and motored to Warren, where they attended the convention of D. A. R. the latter part of the week.

A hunting party, consisting of Lyman Scott, George Heckman, Arthur Seelye, Will Scott, Charles Scott and Edward Reynolds, have been in the mountains near Dents Run for ten days. They report the game very scarce in that vicinity. One bear only had been killed up to Friday last, and that by a Penfield man.

MAY LOCATE IN THE WEST.

A. B. Moore, one of the best known residents of the Hermtown district, has sold his farm and household goods and in the course of the next ten days will leave for Aline, Oklahoma, where he will visit for a time with his brother, James L. Moore, formerly of Reynoldsville. It is Mr. Moore's intention to locate somewhere in the west if conditions are satisfactory, and as he has been all through the west before, he knows pretty well what he will find. His reason for leaving the Keystone state is not dissatisfaction with commercial or industrial conditions, but on account of the climate, which affects him adversely.

Mrs. Moore will not accompany her husband to Oklahoma at the present time, but will spend the winter in Pannsylvania and go west later.

Mr. Moore's departure from this county will be deeply regretted. He was one of the leaders in the life of the community where he resided and all his life has been an active one. During the Spanish-American war he enlisted in the 16th Pennsylvania Regiment and saw service in the island of Puerto Rico, and in civil life has been something of a soldier of fortune. At various times he has been in about half the states in the union. With all his traveling, and notwithstanding his intention of leaving the state, he says frankly that climatic conditions aside, he would choose Pennsylvania in which to live in preference to the rest of the U. S. A.
