There is nothing that will create sickness or cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge every one suffering from any stomach derangement, indigestion or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine they are not satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. Three sizes, 25c, 50c and \$1.00 a box. Sold only at our store—The Rexall Store.

For Sale by Stoke & Flecht Drug Co., Reynoldsville, Pa.

### AGRICULTURE BY CORRESPONDENCE.

Farmers and others can probably not put in their leisure during the winter to better advantage than pursuing some of the Correspondence Courses in Agriculture which are given free by the Pennsylvania State College. These courses will be found beneficial for a number of reasons, among which may be mentioned the following: first, they furnish information of direct value to the farmers; second, they encourage systematic rather than desultory reading and study; third, they encourage reading to a purpose rather than merely as a pastime; fourth, they stimulate habits of study and experiment, helping the pupil find out things for himself; fifth, they in many cases suggest points bearing on the farm which have not been brought to notice.

Instruction is now given in thirty-three courses covering practically all of the ordinary farm operations including general agriculture or crop production, animal husbandry, dairying, horticulture and the home. A course in Pedagogy of Agriculture is also given, primarily for teachers. Those interested should write to the Department of Agricultural Education, State College, Pa., for catalogue of the Correspondence Courses and enrollment blank. The tuition is free there being no fees whatsoever connected with the courses.

### YOUR KIDNEYS NEED CLEANING

Every Person, Healthy or Unhealthy, Ought to Give the Kidneys a Thorough Cleaning Right Now.

You clean your teeth daily. You wouldn't think of doing otherwise, and yet the teeth are not one-tenth so important to health, strength and a long life as the kidneys.

Do you know that the kidneys are little strainers or fine sieves, through which every drop of blood in the body passes again and again?

Do you know that when the blood passes through the kidneys these little sieves strain all the impure matter from the blood and pass it out of the body by way of the bladder?

Well, all this is so, and this being the case doesn't it stand to reason that these little strainers in the kidneys become clogged with impurities?

And when the kidneys become clogged they are unable to strain the impure matter from the blood, and it stays in the blood and causes diseases in various parts of the body. Take rheumatism for instance, this terrible disease is caused by uric acid in the blood and uric acid gets into the blood only when the kidneys are clogged up and are unable to properly strain the impurities.

An ounce of prevention is worth a ton of cure when the kidneys are concerned. It's almost as easy to clean out clogged kidneys as to clean your teeth.

Just go to Stoke and Flecht Drug Co., to get a bottle of Thompson's Barosma, the most scientific kidney, liver and bladder regulator the world has ever known, take it regularly for two weeks, and all the impure matter in your kidneys will pass out through the bladder, and your kidneys will be as pure and clean and healthy as any kidneys can be.

Thompson's Barosma is guaranteed by Stoke and Flecht Drug Co., to cure all diseases of the kidneys, liver and bladder, or money back. It is a wonderful tonic and blood purifier and will bring the glow of health to the cheeks of the sick in a short time. 50 cents and \$1.00 a bottle.

Do not forget the place for your home made candies—Reynoldsville Candy Works.

### NE-RO WILL DIAGNOSE YOUR CASE.

What is necessary for the enjoyment of perfect health? Of course it is essential that every organ in the body shall work properly, but, unless the blood is pure, the nerves steady and under the perfect control, the digestion good and the bowels regular, there cannot be perfect organic action. Frequent headaches, nervousness, sleeplessness, loss of appetite, dullness and languor, sallow complexion with ring under the eyes, all proclaim that something is wrong somewhere. Ne-ro Tablets will search your system for the trouble, find it and repair it.

Ne-ro Tablets make rich, red, healthy blood, blood that will carry the nourishment to all parts of the body. Ne-ro Tablets build strong, steady nerve fibres. Ne-ro Tablets assist the stomach in repairing the food for the use of the body. Ne-ro Tablets regulate the bowels. Ne-ro Tablets build up the entire system, searching out and repairing the weak, worn, weary parts, making them strong and healthy and vigorous.

Ne-ro Tablets are for sale by both Drug Stores, at 50 cents per box and are sold under a positive guarantee that, if after taking the first box, you are not satisfied that you have received benefit, your money will be cheerfully refunded.
