THE BAZAAR GRAND OPENING AND UNDERSELLING SALE At the Bazaar

We take pleasure to open the doors of our additional store room to our former large store, and we are proud to say that we are at present the largest store under one roof in Jefferson county. Our store was always known to be the best for merchandise at lowest prices. Now we can crown ourselves as the biggest underselling store in this neighborhood.

To our sorrow the weather has been backward and we have a very large winter stock on hand and it has not moved any yet. Imagine a space of 60 by 120 feet chucked full with newest and up-to-date fall goods. We are compelled to cut prices very low to enable us to sell our winter goods and at the same time give the benefit to the consumers. Here below we will mark some prices. Our stock is too large to quote it all here.
