**FREE HANDSOME Sterling Plate and Gold Bowl HOLIDAY SPOON**

The cut shows an elegant Coffee Spoon that is novel in design and sure to please.

On the front appears the open fireplace and a stocking, without which no Christmas is complete. The tree loaded with good things is distinctly seen above the narrow part of the handle, on which appears in plain letters the words "Merry Christmas." In the gold bowl we see old Santa Claus with his flowing locks and grey beard, swinging his whip threateningly over the back of his fleet reindeer. Altogether it is a most pleasing picture and a proper emblem of Merry Christmas.

On the back of the handle are the glad bells which "ring out the old and ring in the new," and underneath old Father Time with his cruel scythe. "Happy New Year" completes the decoration on the back of the handle.

Altogether it is a most beautiful article suitable for a holiday present for one's own self or a friend. The collection of handsome spoons has assumed in many localities the proportion of a huge fad and this spoon is good enough to place alongside of any of them.

This spoon is the most suitable Christmas gift you can make to ladies, the Sunday school children, or children in the public or day schools.

Commencing December 1st with every purchase of \$3.00 and upwards we will give you one of these Handsome Souvenir Spoons absolutely FREE, with our best wishes.
