

THIRTY YEARS OF SUCCESS.

The Rexall Store Offers a Remedy For Catarrh—The Medicine Costs Nothing if It Fails.

When a medicine effects a successful treatment in a very large majority of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not completely relieve catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people to substantiate. We want them to try Rexall Mucu-Tone, a medicine prepared from a prescription of a physician with whom catarrh was a specialty, and who has a record of thirty years of enviable success to his record.

We receive more good reports about Rexall Mucu-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucu-Tone is, it would be the only catarrh remedy we would have any demand for.

Rexall Mucu-Tone is quickly absorbed and by its therapeutic effect tends to disinfect and cleanse the entire mucous membranous tract, to destroy and remove the parasites which injure the membranous tissues, to soothe the irritation and heal the soreness, stop the mucous discharge, build up strong, healthy tissue and relieve the blood and system of diseased matter. Its influence is toward stimulating the mucous cells, aiding digestion and improving nutrition until the whole body vibrates with healthy activity. In a comparatively short time it brings about a noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Rexall Mucu-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Mucu-Tone in two sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies only at our store—The Rexall Store.
