THE SPELLING CONTEST AND EXHIBIT AT INSTITUTE.

In the Institute Annual full announcement is made of a spelling contest to be held at the County Institute. Teachers generally are making this a means of creating an interest in spelling, holding some local contests, and sending some representatives to the Institute to take part in the contest. But by inquiring of the pupils I find a number of schools in which none of the pupils have even heard of the contest, the teacher has never mentioned it to them, much less created any interest through it. This teacher is certainly failing to do his or her duty, falling not only in cooperation but in direct school work.

This is also true of the Display of School Work. Some schools cannot take part in the spelling contest because the pupils cannot get to the Institute, but every teacher can take some school work along to the Institute for this exhibit as requested. In some counties the bringing of this school work has been made a condition necessary in order to secure pay for the week. I do not care to do this, but I do expect every teacher, to cooperate in reasonable requests. Those things are for the good of the schools and of the boys and girls.

HEED THE WARNING!

Backache is the Signal that Kidney Diseases are Nigh.

Who doesn't dread the advanced stages of kidney troubles—Bright's disease, diabetes, dropsy and gravel?

But to-day, throughout America, there are tens of thousands suffering the torments of hopeless agony just because they failed to heed the first signal, the certain warning of future misery—backache.

Backache means that your kidneys are weak; they may have become inflamed from cold or injury, but in all probability they are stuffed up, clogged with impurities from the blood, for you know, of course, that the blood passes through the kidneys every few minutes, and that the kidney strain the blood of its impurities, which pass out through the urine.

Stop kidney diseases at the start, that's the easiest way, and Thompson's Barosma is the surest remedy. Stoke & Feicht Drug Co., sells it, and is willing to guarantee it to stop backache, sideache, and sharp shooting pains, and to cure Bright's disease, and end all kidney, liver, and bladder trouble, or money back.

It is a great maker of pure blood, and a builder of flesh, because it promptly cleans the kidneys, and puts them in such perfect condition that the impurities are thoroughly strained from the blood as it passes through, and are promptly eliminated with the urine. Thompson's Barosma is only 50 cents and \$1.00 a bottle.

FREE HANDSOME HOLIDAY SPOON

The cut shows an elegant Coffee Spoon that is novel in design and sure to please.

On the front appears the open fireplace and a stocking, without which no Christmas is complete. The tree loaded with good things is distinctly seen above the narrow part of the handle, on which appears in plain letters the words "Merry Christmas." In the gold bowl we see old Santa Claus with his flowing locks and grey beard, swinging his whip threateningly over the back of his fleet reindeer. Altogether it is a most pleasing picture and a proper emblem of Merry Christmas.

On the back of the handle are the glad bells which "ring out the old and ring in the new," and underneath old Father Time with his cruel scythe. "Happy New Year" completes the decoration on the back of the handle.

Altogether it is a most beautiful article suitable for a holiday present for one's own self or a friend. The collection of handsome spoons has assumed in many localities the proportion of a huge fad and this spoon is good enough to place alongside of any of them.

This spoon is the most suitable Christmas gift you can make to ladies, the Sunday school children, or children in the public or day schools.

Commencing December 1st with every purchase of \$3.00 and upwards we will give you one of these Handsome Souvenir Spoons absolutely FREE, with our best wishes.

This offer is good until December 31st at
