

# Progressive Merchants Are Now Buying Our Most Up-to-Date National Cash Register

Can be operated by electricity and is built to stand on floor or counter

WE build this register with from one to nine adding counters, and with from one to nine cash drawers, depending upon the number of clerks employed. The price depends upon the size of the register.

Gives you more protection and information about your business than any other business system that can be installed in your store

Each clerk has a separate cash drawer and each clerk's sales are added on separate adding wheels. This tells you which clerk makes the most sales, so that you can reward him—or which clerk makes mistakes.

This National prints the amount of each sale on a strip of paper and also prints a receipt showing the amount paid by each customer, which guarantees to the proprietor that the proper amount of money is put into the register.

### This Is The Detail Strip

EVERY time a clerk makes a cash sale or a "charge" sale, or receives money on account, or pays out money, the Register prints a record of it on this strip of paper. In the meantime the Register is also adding on separate wheels the totals of these various things.

A	10.25
ChD	1.00
PdA	21.00

F	2.15

This register tells you at night these four most important things:

- 1—Total cash sales made by each clerk.
- 2—Total of your credit sales.
- 3—Total amount of money received on account.
- 4—Total amount of money paid out.

Also the secret adding counter tells you the total amount of all cash taken in.

### This Is The Printed Check

OR customer's receipt that the Register prints every time a sale is made, or money is paid out, or received on account, guaranteeing to the proprietor that the proper amount of money is put into the register. This check makes a fine thing to print your advertisement on.

Write and tell us the number of clerks you employ, and we will send you description and price of this register built to suit your business. This will place you under no obligation to buy

### MOTHER OF JOSEPH WEIST DIED IN PUNXS'Y FRIDAY

Was Eighty-Five Years Old—Funeral at Fryburg Monday.

Mrs. Catherine Weist, mother of Joseph Weist, of Reynoldsville, died at the home of her son, Thomas Fleckenstein, in Punxsutawney, Friday, December 9th, at 8.30 a. m.

Mrs. Weist was 85 years old at the time of her demise, and until quite recently had enjoyed excellent health. She was well known to many county people and was loved for her pure and amiable character. A week before death she suffered a stroke of paralysis and gradually sunk into the grave.

The body was removed to Fryburg, Clarion county, Saturday, and on Monday burial was made in the Catholic cemetery at that place. Mr. and Mrs. Joseph Weist and family, of Reynoldsville, went to Fryburg Saturday and attended the funeral Monday.

Mrs. Weist was born in Germany, coming to this country when still a young woman. She was married to Philip Fleckenstein in 1867, and to the union the following children were born, all of whom survive: John and Thomas Fleckenstein, of Punxsutawney; Adam, of Oil City; Conrad, of Emlenton; Mrs. Frank Oberador, and Mrs. Margaret Emecker, of Fryburg, Clarion county.

After the death of Mr. Fleckenstein, she was united in marriage to Martin Weist, who also died, leaving one child, Joseph Weist. After the death of her husband, Mrs. Weist resided in Fryburg, later going to Punxsutawney. In the latter place she spent the last twenty-three years of her life.

#### Reynoldsville Preacher Had Pluck.

Rev. R. A. McKinley, of Reynoldsville, who filled Rev. Hill's pulpit at the Presbyterian church on Sunday last, suffered a bad fall early in the evening, while returning to the parsonage from a dinner engagement. His ankle was severely sprained, but the plucky Pastor refused to call off the evening service, and hobbled to the pulpit and conducted the service, preaching a forceful sermon, under the most adverse conditions. After church a physician was called, and it was feared for a time that a bone in the ankle was broken, but late reports from Reynoldsville are to the effect that the injury is but a serious spraining of the ligaments, which were torn from their place by the fall.—Brookville Republican.
