

You don't need to worry over your Christmas Candies this year

We are going to close out our entire line of candies. After buying nearly three tons of candies for the holidays, we decided to close our store for about three weeks after the first of the year for the purpose of putting in a new front and a general line of repairs on the building. Therefore we are going to sell our entire line of candies at

Greatly Reduced Prices

in order to avoid storing them. Come in and look over before you buy. Our line is complete. Better come early as it will not last long at the prices we are going to sell for.

H. T. PETERS
