### OFFICERS OF STATE GRANGE WERE ELECTED AT BUTLER

The session of the Pennsylvania State Grange held at Butler last week was attended by over 1,100 delegates and was filled with interesting details. Interest centered in a fight made against "Farmer" W. T. Cressy, for re-election as master on the ground that he had used the office for partisan purposes. He was opposed by E. B. Dorsett, of Tioga county, state lecturer, but on the last day before voting Dorsett withdrew, giving Cressy an easy victory.

Other officers elected were: Overseer, S. S. Blyholder, Armstrong county; lecturer, E. B. Dorsett, Tioga county; steward, Theodore M. Klein, Wayne county; assistant steward, G. D. Appleby, Potter county; chaplain, the Rev. H. G. Teagarden, Jefferson county; treasurer, S. E. Nivin, Chester county; secretary, J. T. Allman, Juniata county; gatekeeper, Alexander Strittmatter, Cambria county; Cerec, Hannah M. Lyons, Chester county; Pomona, Mrs. Louis Piolet, Bradford county; Flora, Mrs. J. J. Bruges, Wyoming county; lady assistant steward, Mary D. Howden, McKean county; executive committee, Charles D. Dildine, Columbia county, William Armstrong, Luzerne county; finance committee, W. H. Grabe, Butler county, J. A. Herr, Clinton county, D. B. McWilliams, Mifflin county.

All of the officers elected were on the administration ticket except E. B. Dorsett, elected lecturer. Dorsett had been considered among the leading candidates for worthy master.

### BEAUTIFUL HOLIDAY DECORATIONS.

In nearly all the stores of Reynoldsville a special effort was made to beautify the interiors for the holiday season and a large amount of time and money was spent on the work. Probably the most elaborate and artistic display was in the large Bing-Stoke Company department store, where Irving R. Klock, the decorator, planned and executed a decorative scheme that was worthy of the largest city stores. The interior of the store had recently been brightened up by painters and decorators, and this, with the decorative scheme adopted, turned the store into a fairyland from the entrance to the most remote corner of the basement. In the main room over 3,000 handkerchiefs, white and artistically folded were hung from arches that spanned the big room in every way, while large scarlet bells and other ornaments, with the deep green of the decorations, lent a dash of color to the scene. In the basement the use of tinsel made the place gleam like frost crystals in the sunshine.

### CENSUS CUTS DOWN SALARY.

District Attorney Jesse C. Long has reason to be disgusted with the census returns in Jefferson county if any one has. There will be a decrease in the salary of the district attorney in the county of \$250 per year, until the population takes a jump. As the office pays but \$1,500 per year, the decrease will not tend to make the position a coveted one among the attorneys of the county in the future.
