

Manhood how Lost, how Restored.
Just published, a new edition of **Dr. Culverwells Celebrated Essay** on the radical cure (without medicine) of SPERMATORRHEA, or seminal Weakness, Involuntary Seminal Losses, Impotence, Mental and Physical Incapability, Impediments to Marriage, etc. also of CONSUMPTION, EPILEPSY, and FITS, induced by self-indulgence or sexual extravagance.
Price, in a sealed envelope, only 6 cents.

The celebrated author in this admirable essay clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure, at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This Lecture should be in the hands of every youth and every man in the land.
Sent, under seal, in a plain envelope, to any address, post paid, on receipt of six cents, or two post stamps. Address the publishers.
