

Ayer's Sarsaparilla

THE WORLD'S GREAT REMEDY FOR Scrofula and Blood-poisoning Diseases.

From Dr. Robt. Smith, Houston, Tex., New York. I have used your Sarsaparilla in my family for general debility, and for purifying the blood.

From Dr. Hiram Stout, St. Louis, Missouri. I had your Sarsaparilla a more effective remedy for the secondary symptoms of Syphilis.

AYER'S CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superiority is so universally known, that we need not do more than to assure the public their utility is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

NOTICE is hereby given that the Partnership, Lumbering business, heretofore carried on by the undersigned, under the name of Charles & Isaac Horton Jr., is this day dissolved by mutual consent.

Letters of Administration have been granted in due form of Law, to the subscriber Wm. Mack, upon the Estate of Eliza Mack, Late of Salem Md. deceased.

NOTICE.—Insurers in the West Branch Insurance Company of Lock Haven Penna., must pay the amount due said company, levied by its assessors, Nos. 9 & 10, to the undersigned before, or during next Court week, otherwise proceedings will be commenced against them, to compel such payment.

The New York Weekly Herald.

The Cheapest Paper in the World.

The extensive and comprehensive facilities in its possession enables the PROPRIETOR of the WEEKLY HERALD to guarantee the latest and most reliable information possibly to be obtained, not only from all parts of the United States, but from all parts of the world.

Its home correspondents, engaged at heavy cost, and connected with each new naval and military expedition of the government prove that it is determined to leave no spot uncovered by its operations and no event can occur that shall not find immediate report in its columns. It costs the proprietor over one hundred thousand dollars per year, to maintain its corps of correspondents in the field.

In its collation of Foreign News the HERALD has for years held a high position, and it will endeavor in the future to maintain the stand it has assumed. It has special correspondents stationed in all of the principal cities of the world.

Its telegraphic arrangements extend to whenever the electric wires are stretched. When the Atlantic cable is laid, which feat will soon be accomplished, telegrams will be received from Europe and Asia, as well as from the United States. Then our readers will have the events of the week in all parts of the civilized world regularly and clearly laid before them.

The proprietor devotes a portion of the paper Literature, Fashion, Agriculture, the Mechanic Arts, Sporting Matters, Business, Theatrical and Financial Reports, Cattle Markets, General News, and reports of all events calculated to form an excellent metropolitan newspaper—a weekly photographic view of the events of the world—and all at a very low price.

The WEEKLY HERALD is issued every Saturday morning, and furnished at the following rates:—

Three copies 5
Five copies 8
Ten copies 15

Volunteers and Conscripts! To soldiers or any others wishing to increase their income, there is no better way of doing so at this time, than from the sale of our watches. THEY ARE WANTED AS REPRESENTIVES!

Particularly valuable for officers in the Army and travelers.—Frank Leslie's, Feb. 21.

"Prettiest, best and cheapest timepieces ever offered."—N. Y. Illustrated News, Jan. 10.

"Very pretty and durable Watches for the Army."—N. Y. Army & Navy Jour. (Government Organ.) Aug. 20.

"One of the oldest and most reliable houses in business."—Louisville, Ky., Journal, July 21.

MAGIC TIME OBSERVERS. Being a Hunting or Open Face or Lady's Gentleman's Watch Combaine, with Patent Self-Winding Improvement a most Pleasing Novelty.

ONE OF THE PRETTIEST, MOST CONVENIENT, AND decidedly the best and cheapest time-piece for general and reliable use ever offered. It has within it and connected with its machinery, its own winding attachment, rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outer one being fine 16 carat gold. It has the improved ruby action lever movement, and is warranted an accurate time-piece. Price superbly engraved, per case of half dozen, \$304. Sample Watches in neat morocco boxes, \$65.

SILVER WATCHES! First Class Hunting Time-Pieces for accuracy of movement, beauty of material, and above all, cheapness in price, these watches must insure universal approbation.

An imitation so faultless that it can hardly be detected by the most experienced judges. The material being of two metals, the outer one first quality Sterling Silver, while the inner one is German Silver, it cannot be recognised by cutting or heavy engraving, making it, not in appearance, but in durability, the best resemblance of SOLID SPERLING SILVER in existence.

The sale of these Watches in the Army is a source of enormous profit, retelling, as they very readily do, at \$25 and upwards. Many hundred dollars can be made in a single day by any one of ordinary business tact.

AT WHOLESALE ONLY! In heavy hunting cases, beautifully engraved, white enamel dial, and fancy cut hands, in good hunting order, by the half dozen, \$72. Sold only by the case of 50.

Upon receipt of two dollars, as guarantee of good faith, we will send watches by express to any part of the loyal States, collecting balance of bill on delivery. This ensures buyers against fraud, giving them their watches before payment is required.

Soldiers in the disloyal states must remit CASH IN ADVANCE, as the express companies unconditionally refuse making collections in such dangerous localities. Remember, Cash in advance from within the army lines is rebel states! We guarantee the safe delivery of all watches, whether they are sent by mail or express.
