SPECIAL BRANCHES Algebra and the Higher Mathematics, Phonography, Ornamental Penmanship, the Art of Detecting Counterfeit Money, English, French, Navigation and Telegraphing.

No regular office practice can be had in any other school of instruction in the country, without which no one can obtain a position as a practical operator. Young men are cautioned against the deceptive representations of those who, without any such facilities, pretend to teach Telegraphing.

PATRONAGE. The Institution is now enjoying the largest patronage ever bestowed upon any commercial school in the State. Over five hundred students were in attendance during the first year, and over seven hundred during the past year. The best class of students may invariably be found here, and all its associations are first class.

LOCATION AND ACCOMMODATIONS. The Institution is located in the most central part of the city, and its accommodations, for extent, elegance and convenience, are unsurpassed. All the rooms have been fitted up in the very best style with
