FOUTZ'S
CELEBRATED
Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly reinvigorate broken-down and low-spirited horses, by strengthening and cleaning the stomach and intestines. It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, COLIC, DISTEMPER, FEVERS, FOUNDER, LOSS OF APPE- TITE AND VITAL ENERGY, &c. Its use improves the wind, increases the appetite, gives a smooth and glossy skin—and transforms the miserable skeleton into a fine-looking and spirited horse.

To keepers of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their hides, and makes them thrive much faster.

In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a barrel of swine the above diseases will be eradicated or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.

Prepared by **S. A. FOUTZ & BRO.,**
WHOLESALE DRUG AND MEDICINE DEPOT,
