 L. LUTHER, P. M.

Our thanks are due to Hon. G. W. Schofield for valuable public documents.

A Social Hop took place at the Hyde House last evening—about fifteen couples being present. Everything went off as merrily a marriage bell.

The Virginia State Journal is the title of a paper published at Alexandria, Va., by B. W. Gillis, formerly of this place.

PROMOTED—Henry Gillis, U. S. N., a son of Judge Gillis, has been promoted to a captaincy for gallant and meritorious service.

Owing to the fact of the editor being absent, and the sickness of our hand, the Advocate comes out one day behind time. We will try and be up to time next week, however.

See advertisement of Jerome Powell in this week's issue. He keeps on hand a large stock of goods which he will sell as cheap as can be got anywhere.

Hon. Heister Clymer the Democratic candidate for Governor, is going to be at St. Mary's on the 10th of September next to address his fellow citizens. Let there be a general turnout.

Within the next two weeks we intend to send out bills to those who owe us for subscription, advertising and job work, except those with whom we have yearly contracts. Therefore, those owing us had better get their wallets ready.

GET READY.—The township Clubs should choose Marshals, and make arrangements for sending delegations to join the grand procession at the Mass Meeting at St. Mary's on the 10th of September. Have preparations all made and start early.

THE ADVOCATE
 Will be sent to any person desiring it from now until after the election for 40 cents. Send to your clubs immediately. Every Democrat should have a copy.
 J. F. MOORE, Pub.

ANOTHER HUMBUG.—A townsman received, yesterday, by mail from New York, six certificates in some bogus jewelry concern. The tickets read as follows: "This ticket entitles the holder to one chance in the New York Merchants' and Manufacturers' Distribution when the money is remitted to us, or paid to an authorized agent. Shares one dollar, each. J. L. McClellan, Secretary; J. D. Miller, President." Attached to the ticket is a coupon, upon which are these words: "Notice.—If the number of this coupon corresponds with the number of the ticket, return the ticket with the money, and retain coupon for reference." This is a fraud, as several persons have already been duped by the concern. We warn all parties to look out for swindlers of the kind.

LARGE CAPACITY, GREAT STRENGTH and unequalled speed, simplicity and completeness of operation, are qualities peculiar to the
Nonpareil Washing Machine.
 It is a squeezing machine constructed on strictly mechanical principles, and the experience derived from five years extensive use in families, hotels and public institutions proves it to be of lasting value to the purchaser.
 The manner of operating the Nonpareil, by rotary motion acting on a crank shaft (with balance wheel) which moves the plungers alternately, is the simplest, least laborious and most powerful that can be devised for the purpose, and accomplishes the work with the greatest rapidity and the least possible labor.
 The great speed with which this machine performs work will be understood from the statement that it is geared to give six strokes of the plungers for one turn of the handle, or when worked leisurely, about four hundred strokes a minute.—Safety to the fabric washed is insured by the entire absence of rubbing.
 A girl or boy of fifteen can work the machine, and do a week's washing for a family of six or eight persons in two to three hours' time: and it may be relied on to cleanse the clothing thoroughly without assistance from hand rubbing.

WANTED, AGENTS in every County in the United States, to sell the Ink Powders of the American Ink Company. The powder sells for forty cents per package, and will make ink enough to fill fifty bottles of the size usually retailed at ten cents per bottle. A smart agent can sell a gross of it a day, and clear \$27.60. The ink can be made from the powder in three minutes in common boiling water. It is a perfect black ink, the best in the world. It flows easily, does not corrode the pen a particle, never gums up, is not injured by freezing, and its color will last forever. Every family in America will buy it, as a package will last a family for years, and ink can be made in small quantities as wanted. With each gross we send a thousand circulars with testimonials from ologymen, lawyers, teachers, merchants, commercial colleges, editors, &c., and the agent's name on the bills. Only one person will be made agent for a county. The first one sending \$30 for a gross of the powder will receive it by return express together with one thousand circulars and the right to sell in the county he or she designates. If others send for the same county, the money will be returned to them free of expense. To make sure, one had better designate several counties, either of which he or she will take. Send for trade list and circulars if you dare run the risk of waiting, or send the money for a gross. Letters addressed to the Mayor, Postmaster, cashiers of the banks, or the express agents of this city, will show that the business is honest and squarely conducted. An Ink Powder will be sent by mail to any address, free of charge, on receipt of forty cents.
 Address, writing your name, town, county and State distinctly.
