L. LUTHER, P. M.

To-day is Thanksgiving Day.—Turkey will be in good demand.

Mr. Eddy Hyatt, one of the old settlers of Elk county, died at his residence in Kersey on Friday last. He was respected by all who knew him.

NEW GOODS.—Fred. Rudolph at St. Mary's, is bound not to be undersold by anybody, and has declared a war of extermination against high prices. He feels confident that, as he is in the right, he will conquer.

NEW FIRM.—We learn that a new firm to be known as Little, Schoening & Co., has gone into business at Centreville. Those comprising the firm are gentlemen of known worth and ability, and are worthy of a good share of the public patronage.

GRAND.—Have you been to see Powell's new goods yet? If you have not we would advise you to go. He has really a splendid stock. His clerks are accommodating and obliging, and he is selling off his goods at fabulously low prices. Go and see for yourselves, and you'll be of our opinion.

LATER.—We have just stopped the press to announce that although his stock is going like hot cakes he has enough left to supply the demand.

A meeting was held in the Court House on the afternoon of Sunday the 25th inst., to consider the propriety of establishing a Sunday school in connection with "Grace Church"; and it being resolved that it was expedient and proper to establish a Sunday school under the auspices of the church as proposed, an organization was effected by electing Hon. Henry Souther, Superintendent, and Grove G. Messenger, Librarian.

The first session will be held in the Court House next Sunday (Dec. 23) at 2 o'clock, P. M., when a general attendance not only of the children, but of all interested in the Sunday School cause is earnestly requested.

It is proposed to furnish a new Library of about one hundred and twenty-five selected volumes which will be ready for distribution to the scholars at the first session.  
CON.

THE HISTORY OF ELK COUNTY.—With the present number closes this interesting little work. Numerous inquiries have been made to know if it would pay to put into book form. We have given the subject some thought and have arrived at the conclusion that it would pay, unless we should charge a pretty high price per copy; and unless we could dispose of at least 800 copies, it would not pay them. We, however, are willing to make the effort, provided we get proper encouragement from some of our leading citizens. Beside what the author has written, we would add to it a map of Elk county, a list of unseated lands, with names of owner and warranty, a business directory of the county, &c., with other valuable information which would be useful to everybody.

INSURANCE.—C. V. Gillis, of Ridgway, has been appointed agent for the Home Insurance Company of New Haven, Connecticut.

The Home has a capital of a million with a large surplus, and the monthly receipts are over \$125,000.

Policies are written and delivered by the local agent, and the losses are equitably adjusted and promptly paid by traveling agents, who also examine and direct the work of the local agents. The Home issues policies for over three or five years on buildings and merchandise at as low rates as can be done by any safe company. Also issues perpetual policies on dwellings, churches and public buildings.

Persons desiring insurance should prefer the Home, instead of insuring in mutual companies with a premium note

WHEELER & WILSON'S SEWING MACHINES.—STATE FAIRGROUNDS, DATON, O., Oct. 19, 1866.—We, the undersigned Committee, as a unit, award the First Premium to the Wheeler & Wilson Sewing Machine Company, as the best Sewing Machine for family use.

The basis of our judgment being, first, simplicity of construction. Second, durability of work. Third, easiness of working. Fourth, stillness in running. Fifth, simplicity and completeness of its attachments. In Machines for family use, there were seven entries—Wheeler & Wilson, Grover & Baker, Howe Elliptic, Singer, Wilcox & Gibbs, and the Florence. The above is most respectfully submitted.

W. G. ALEXANDER,  
Mrs. W. W. WHITNEY,  
Mrs. JAS. PATTERSON,  
Committee.  
J. K. Whitmore, Esq., is agent for the above machines at this place.

A CARD.—We take pleasure in publishing the following letter, which speaks for itself.  
NORTH EAST, ERIE CO. PA.  
Oct. 24th, 1866.

To whom it may concern:  
The bearer of this, W. Sherer, of Corry, Pa., is engaged in the sale of Pianos, Organs, and Melodeons. About one year ago I purchased of him one of Drucker & Co's. Pianos, which has been in use the greater portion of the time since I purchased it, and thus far it has proved to be all that Mr. Sherer recommended, an excellent instrument.

I therefore have no hesitancy in saying that I believe Mr. Sherer to be a gentleman of high repute in his profession and calling, one upon whom the public can rely with implicit confidence.  
CHARLES HORTON.  
Mr. Sherer's card will be found in another column.

WANTED, AGENTS—\$75 to \$200 PER MONTH for gentlemen and \$35 to \$75 for ladies, everywhere, to introduce the Celebrated Common Sense Family Sewing Machine, improved and perfected. It will hem, fell, stitch, quilt, bind, braid and embroider beautifully. Price only \$20, making the elastic lock stitch, and fully warranted for three years. We pay the above wages, or a commission, from which twice that amount can be made. Address with stamp, or call on C. BOWERS & CO., Salesrooms, No. 255 South FIFTH Street, Philadelphia, Pa. All letters answered promptly, with circulars and terms. [May-31-66-ly.]

THE SILVER SKIRT.  
MORE DURABLE,  
MORE ELASTIC,  
MORE GRACEFUL!  
And will keep its shape and retain its place better than any other Skirt.

This new and beautiful style of Skirt (Patented March 7, 1865.) was awarded by the Great American Institute Fair, held in New York, October, 1865, a

SILVER MEDAL,  
being the Highest Premium ever given for a Skirt.

The Steel Springs are wound with fine plated wire—in place of a cotton covering—which will not wear off or become soiled, and the whole skirt may be washed without injury or fear of rusting, and will be as good as new.

The Combination Silver Skirt  
This invention combines with the ordinary Skirt the advantages of our Silver Skirt the bottom hoops are the same as those used in the Silver Skirt, the covering of which cannot wear off, while the upper ones are covered with cotton. No lady having once worn one of our Skirts, will be willing to wear any other, as the lower hoops of all other kinds are soon injured and soiled.

The best materials are used in their construction, and, from their durability and neatness they are destined to become a Favorite Skirt.  
Manufactured solely by the  
Silver Skirt and Wire Manufacturing Company,

They have deemed expedient to offer to their friends and the public at one dollar and fifty cents each, the price heretofore having been two dollars each, and for the purpose of stimulating the getting up of Clubs, they have determined to award premiums to the getters up of the Clubs, and in addition thereto to distribute amongst the subscribers the sum of \$50,000 in money and paintings, as soon as the sale shall have reached 100,000 engravings. As it is our intention to advertise very extensively, and as the engravings are well known throughout the whole country, we have no doubt that with the low price we charge for them, and with the exertion which we put forth by our numerous friends, the number will be reached in short time. As soon as it is reached, the subscribers, through their Club Agents, will be notified by a circular letter from us, naming the time and method of distribution.

CLUB RATES.  
Single Engravings \$1.50 each,—by mail free.  
For \$15 we will send 23 Eng. and 2 to the Club Agent.

Any person may get up Clubs and forward the amount either by Express, Sight Draft, Post Office Order or in a registered letter, and in all cases the Engravings will be immediately sent, and for each engraving a numbered certificate and receipt will be enclosed in a package.  
C. O. D. ORDERS.—Persons wishing to send for Engravings and pay the Express Co. when they are received, will be required to send with their order \$2 to \$5, according to its amount, and this will be credited on their bill.

THE AMERICAN ARTISTS' UNION would add that these premiums are to be considered only in the light of a free gift to their patrons, as the Engravings are furnished them before their market value, and as the cost of engravings, after the plates are procured, is very trifling, they can easily afford to make the distribution as large as it is.

We trust that our numerous friends throughout the country and Canada will use their utmost exertions, so that if possible, the distribution may be made soon, and it can be done if they are at all active. Ladies have often made excellent Club Agents, for us, and we solicit their kind efforts, which will not go unrewarded. Let one or more energetic persons in every town or village in the country commence as soon as they see this, and get up a large Club as possible. By so doing they will be the means of introducing elegant engravings into families, and thus aid in cultivating a taste for the beautiful and refined. Address Orders Sec. AMERICAN ARTISTS' UNION, Nov. 8, 1866-3m. 25 Pine St. N. Y.
