CHANCE FOR A BARGAIN.—By reference to our new advertisements, it will be seen that the splendid business site lately occupied by Burke & Woods is offered for sale.

The publisher desires to express his thanks for the handsome present he received from the enterprising and liberal firm of the Weis Brothers, in Saint Mary's. May they always be able to do the same thing every New Year.

THE PATRIOT & UNION.—Owing to the fact that we have not received a prospectus of this staunch Democratic journal, it is not published. But when we know of a good thing we take pleasure in recommending it to our readers; and if long and faithful service in the cause of right and Democracy, is a recommendation we would most heartily wish that our subscribers, after seeing to the support of our own paper, would subscribe for the Patriot & Union.  
TERMS:—Weekly.—\$2.50 per annum. Daily.—\$7.00 per annum.

MARRIED.—On the 28th of December, at the residence of D. C. Chamberlain, M. D. Le Roy, New York, by Rev. A. B. Giesner, Rector of St. Mark's Church, Mr. GEORGE A. RATHBUN, of Ridgway, Pa., to Miss CAROLINE E. LAMPKINS, of Le Roy, N. Y.

The happy couple have the kind wishes of the printers. We suppose that George will now bid good bye to oyster-sippers and "slob." Our earnest wish is that the bright smiles of his partner may eradicate any desire for a renewal of the pleasures of "single blessedness."

DEED.—On the 30th ult., in this place, CAROLINE, wife of H. A. Parsons, aged 38 years, 4 months and 13 days.

SOMETHING NEW!  
HOUSE SIGN & ORNAMENTAL PAINTING.  
THE SUBSCRIBER WOULD RE-SPECTFULLY inform the citizens of Elk County that he has just started in the above business in Ridgway, and feel confident that he can please all who may favor him with their notice.

THE SILVER SKIRT.  
MORE DURABLE,  
MORE ELASTIC,  
MORE GRACEFUL!  
And will keep its shape and retain its place better than any other skirt.  
This new and beautiful style of Skirt (Patented March 7, 1885,) was awarded by the Great American Institute Fair, held in New York, October, 1885, a  
SILVER MEDAL,  
being the highest Premium ever given for a Hoop Skirt.  
The Steel Springs are wound with fine plated wire—in place of a cotton covering—which will not wear off or become soiled, and the whole skirt may be washed without injury or fear of rusting, and will be as good as new.

The Combination Silver Skirt  
This invention combines with the ordinary Skirt the advantages of our Silver Skirt. The bottom hoops are the same as those used in the Silver Skirt, the covering of which cannot wear off, while the upper ones are covered with cotton. No lady having one worn one of our skirts, will be willing to wear any other, as the lower hoops of all other kinds are soon injured and soiled.  
The best materials are used in their construction, and from their durability and neatness they are destined to become a  
Favorite Skirt.  
Manufactured solely by the  
Silver Skirt and Wire Manufacturing Company,  
30 and 32, BARCLAY ST.  
NEW YORK.

LARGE CAPACITY, GREAT Strength and unqualified speed, simplicity and completeness of operation, are qualities peculiar to the  
Nonpareil Washing Machine.  
It is a squeezing machine constructed on strictly mechanical principles, and the experience derived from five years extensive use in families, hotels and public institutions proves it to be of lasting value to the purchaser.  
The manner of operating the Nonpareil, by rotary motion acting on a crank shaft with balance wheel, which moves the plungers alternately, is the simplest, least laborious and most powerful that can be devised for the purpose, and accomplishes the work with the greatest rapidity and the least possible labor.  
The great speed with which this machine performs work will be understood from the statement that it is geared to give six strokes of the plungers for one turn of the handle, or when worked leisurely, about four hundred strokes a minute—Safety to the fabric washed is insured by the entire absence of rubbing.  
A girl or boy of fifteen can work the machine, and do a week's washing for a family of six or eight persons in two to three hours' time; and it may be relied on to cleanse the clothing thoroughly, without assistance from hand rubbing.

They have deemed expedient to offer to their friends and the public at one dollar and fifty cents each, the price heretofore having been two dollars each, and for the purpose of stimulating the getting up of Clubs, they have determined to award premiums to the members up of the Clubs, and in addition thereto to distribute amongst the subscribers the sum of \$50,000 in money and paintings, as soon as the sale shall have reached 100,000 engravings. As it is our intention to advertise very extensively, and as the engravings are well known throughout the whole country, we have no doubt that with the low price we charge for them, and with the exertion which we put forth by our numerous friends, the number will be reached in short time. As soon as it is reached, the subscribers, through their Club Agents, will be notified by a circular letter from us, naming the time and method of distribution.

THE AMERICAN ARTISTS' UNION would add that these premiums are to be considered only in the light of a free gift to their patrons, as the Engravings are furnished them below their market value, and as the cost of engravings, after the plates are procured, is very trifling, they can easily afford to make the distribution as large as it is.

We trust that our numerous friends throughout the country and Canada will use their utmost exertions, so that if possible, the distribution may be made soon, and it can be done if they are at all active. Ladies have often made excellent Club Agents for us, and we solicit their kind efforts, which will not go unrewarded. Let one or more energetic persons in every town or village in the country commence as soon as they see this, and get up as large a Club as possible. By so doing they will be the means of introducing elegant engravings into lam and thus add in cultivating a taste for the beautiful and refined.
