NEW SCHEDULE.—As will be seen by reference to the table of the P. & E. R. R. Company, they have again changed their time.

MASONIC.—We learn that a charter for a Masonic Lodge at this place has been granted, and that the order has received quite a number of new members.

SLEIGHING.—The sleighing has not, for many winters been better than the present. As a consequence trade is somewhat brisk, and business looking up.

PARTIES having either civil or criminal business before the Courts should see that their witnesses are in Ridgway on the opening of Court, and that they stay about the Court house, until the cases in which they are wanted, are finished.

TO SOCIABLE.—This society meets tomorrow (Friday) evening, at the house of Mr. Jerome Powell. These gatherings are well attended, which fact reflects great credit on the community and the projectors of them.

FATAL ACCIDENT.—On Dec. 29th, Gibson Levalley, was fatally injured by a tree falling on him, near the lumbering camp of Finton and Woodward, on Kersy Run. He lived after the injury an hour and a half, was 36 or 38 years of age, and leaves a wife and four children who live now in Syracuse, N. Y. He was late a resident of Canada. His body lies in the Catholic burial ground in Canada.

DECEASED.—At Brandy Camp, Jan. 1st, Mrs. LITTLE, MR. PROCHORSKI, THOMPSON, to Miss MARTHA MOORE.

DIED.—At his residence, in Jay tp., THOMAS BLISS, aged 72 years and 9 months.
 Mr Bliss was one of the few living survivors of the war of 1812. He is done with that many incidents and hardships that almost ancient war.

DECEASED.—At his residence, near Boot Jack Mrs. MARGARET WARD, wife of Patrick WARD, aged about 34 years.

DECEASED.—On the 28th, at the house of her father-in-law, in Fox township, ELIZA KEMER, aged 28 years.

DECEASED.—On January 3d, 1857, MARY RYAN, aged 73 years.

DECEASED.—The iron Manufacturers of Pittsburg intend to suspend operations this month, but will resume as soon as they get such legislation as they want to increase their already heavy profits.

PROFANATION.—A lady who found it difficult to awake as early as she wished in the morning, purchased an alarm watch. These watches are so contrived as to strike with a loud whirring noise, at any hour the owner pleases to set them. The lady placed her watch at the head of the bed, and found herself awakened by the long rattling sound. She immediately obeyed the summons, and felt better all day for her early rising. This continued for several weeks. Her alarm watch faithfully performed its office and was distinctly heard so long as it was obeyed. But, after a time, the lady grew tired of early rising; and when she was awakened by the noisy monitor, she merely turned herself and slept again. In a few days the watch ceased to rouse her from slumber. It spoke just as loud as ever, but she did not hear it, because she had acquired the habit of sleeping without an alarm watch. She made the wise resolution, that if she heard the sound again, she would jump up instantly, and that she never would allow herself to disobey the friend, warning. Just so it is with conscience. It is obeyed its dictates, even to the most trifling particulars, we always hear its voice, clear and strong; but if we allow ourselves to do what we have some fears may not be quite right, we shall grow more and more sleepy, until the voice of conscience has no longer any power to awaken us.—E.

Miscellaneous.

LARGE CAPACITY, GREAT STRENGTH and unequalled speed, simplicity and completeness of operation, are qualities peculiar to the

Nonpareil Washing Machine.

It is a squeezing machine constructed on scientific mechanical principles, and the experience derived from five years extensive use in families, hotels and public institutions proves it to be of lasting value to the purchaser.

The manner of operating the Nonpareil, by rotary motion acting on a crank shaft with balance wheel, which moves the plungers alternately, is the simplest, least laborious and most powerful that can be devised for the purpose, and accomplishes the work with the greatest rapidity and the least possible labor.

The great speed with which this machine performs work will be understood from the statement that it is geared to give six strokes of the plungers for one turn of the handle, or, when worked leisurely, about four hundred strokes a minute—Safely the fabric washed is insured by the entire absence of rubbing.

A girl or boy of fifteen can work the machine, and do a week's washing for a family of six or eight persons in two to three hours' time; and it may be relied on to cleanse the clothing thoroughly without assistance from hand rubbing.

THE SILVER SKIRT.
 MORE DURABLE,
 MORE ELASTIC,
 MORE GRACEFUL!
 And will keep its shape and retain its place better than any other Skirt.

This new and beautiful style of Skirt (Patented March 7, 1865,) was awarded by the Great American Institute Fair, held in New York, October, 1865, a

SILVER MEDAL,
 being the Highest Premium ever given for a Hoop Skirt.

The Steel Springs are wound with fine plated wire—in place of a cotton covering—which will not wear off or become soiled, and the whole skirt may be washed without injury or fear of rusting, and will be as good as new.

The Combination Silver Skirt
 This invention combines with the ordinary Skirt the advantages of our Silver Skirt. The bottom hoops are the same as those used in the Silver Skirt; the covering of which cannot wear off, while the upper ones are covered with cotton. No lady having once worn one of our Skirts, will be willing to wear any other, as the latter hoops of all other kinds are soon injured and soiled.

The best materials are used in their construction, and, from their durability and neatness they are destined to become a

Favorite Skirt.

A MERICAN ARTISTS' UNION.

The AMERICAN ARTISTS' UNION [established 1854] announce that in order to extend the sale of the following well known and highly popular **STEEL PLATE ENGRAVINGS** Department of the Pilgrim Fathers for America. 27 x 36 in Landing of the Pilgrim Fathers. 27 x 36 Falstaff Mustering his Recruits. 25 x 30 Shakespear and his Friends. 25 x 31 Cotton's Saturday Night. 23 x 28 Village Blacksmith. 27 x 32 Manifest Destiny, (Fortune Telling.) 21 x 23 The Massacre at Wyoming in 1778. 28 x 36 Mount Vernon in the olden time, or, Washington at 80 years of age. 26 x 24 The escape of Alastair Mac-Donald from the Massacre of Glencoe. 26 x 34 The Madonna. 26 x 34

They have deemed expedient to offer to their friends and the public at one dollar and fifty cents each, the price heretofore having been two dollars each, and for the purpose of stimulating the getting up of Clubs, they have determined to award premiums to the getters up of the Clubs, and in addition thereto to distribute amongst the subscribers the sum of \$50,000 in money and paintings, as soon as the sale shall have reached 100,000 engravings. As it is our intention to advertise very extensively, and as the engravings are well known throughout the whole country, we have no doubt that with the low price we charge for them, and with the exertion which we put forth by our numerous friends, the number will be reached in short time. As soon as it is reached, the subscribers, through their Club Agents, will be notified by a circular letter from us, naming the time and method of distribution.

CLUB RATES.
 Single Engravings \$1.00 each,—by mail free.
 For \$15 we will send 23 Eng. and 2 to the Club Agent.

C. O. B. GIBBONS.—Persons wishing to send for Engravings and pay the Express Fee when they are received, will be glad to send with their order \$2 to \$5 according to its amount, and this will be returned on their bill.

 Two hundred elegant Oil Paints, richly framed, Interior Views, at \$50 each, 10,000
 \$50,000

The AMERICAN ARTISTS' UNION would add that these premiums are to be considered only in the light of a free gift to their patrons, as the Engravings are furnished them below their market value, and as the cost of engravings, after the plates are procured, is very trifling, they can easily afford to make the distribution as large as it is.

We trust that our numerous friends throughout the country and Canadas will use their utmost exertions, so that if possible, the distribution may be made soon, and it can be done if they are all active. Ladies have often made excellent Club Agents, for us, and we solicit their kind efforts, which will not go unrewarded! Let one or more energetic persons in every town or village in the country commence as soon as they see this, and get up as large a Club as possible. By so doing they will be the means of introducing elegant engravings into families, and thus aid in cultivating a taste for the beautiful and refined. Address Orders See AMERICAN ARTISTS' UNION.
