MANHOOD: How Lost, How Restored. Just published, a new edition of Dr. Carterwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrhea, or Seminal Weakness, Involuntary Sexual Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy, and Fits, induced by self-indulgence and sexual extravagance.

Price, in a sealed envelope, Six cents. The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.
