LEWIS & CO'S ILLUSTRATED MONTHLY FAMILY JOURNAL for the million. Thousands of families in the city and country, have long felt the want of an illustrated journal at a reasonable price, and equal to any on this continent. To this end, we have engaged good artists. BEALE'S  
(LATE POWELL'S)  
EMBROCATION!  
FOR ALL DISEASES INCIDENT TO  
Horses, Cattle and the Human Flesh,  
requiring the use of an external application.

This new Compound, prepared by a practical  
Chemist having a full knowledge of  
all the medical virtues of each ingredient  
that enters into its composition, is warranted  
to exceed anything of the kind yet offered  
to the public as an external applica-  
tion for the disease, for which it is recom-  
mended. We are satisfied that it will work  
its own road into the confidence of all who  
use it, and those who try it once will never  
be without it, and therefore we rely on ex-  
perience as the best test of its usefulness.  
It is pronounced by Farriers, and all who  
have tried it to be the best application ever  
used. This Embrocation has been put  
up for over eight years, and it is only  
through the increasing demand and urgent  
request of my friends and the Public that  
I send it forth as the grand remedial agent  
for the various diseases to which that noble  
and useful animal, the HORSE, is subject.  
Many remedies have been offered to the  
Public under different forms, some of these  
are injurious, others at best of little use,  
and many wholly improper to answer the  
purposes for which they are recommended.  
A judicious and really useful composition  
free from those objections, has therefore  
long been desired by many gentlemen who  
have valuable horses, and are unwilling to  
trust them to the care of designing and  
pretending Farriers. Their wishes are a  
length fully gratified, by Dr. Beale being  
prevailed upon to allow this valuable Em-  
brocation (which has proved so efficacious  
to the various diseases) to be prepared and  
brought out to the public.  
This embrocation was extensively used  
by the Government during the war.

MANHOOD: How Lost, How Restored.  
Just published, a new edition of Dr.  
Culverwell's Celebrated Essay on the radical  
cure (without medicine) of Spermatorr-  
hoea, or Seminal Weakness, Involuntary  
Seminal Losses, Impotency, Mental and  
Physical Incapacity, Impediments to Mar-  
riage, etc., also, Consumption, Epilepsy,  
and Fits, induced by self-indulgence and  
sexual extravagance.

Price, in a sealed envelope, Six cents  
The celebrated author, in this admirable  
essay, clearly demonstrates from a thirty  
years' successful practice, that the alarm-  
ing consequences of self-abuse may be radi-  
cally cured without the dangerous use of  
internal medicine or the application of the  
knife; pointing out a mode of cure at  
once simple, certain and effectual, by  
means of which every sufferer, no matter  
what his condition may be, may cure him-  
self cheaply, privately, and radically.

This Lecture should be in the hands  
of every youth and every man in the land.  
Sent under seal, in a plain envelope, to  
any address, postpaid, on receipt of six  
cents, or two post stamps. Also, Dr. Cul-  
verwell's "Marriage Guide," price 25 cents.

Feeling confident that with a liberal patron-  
age, we shall be able to keep up a First  
Class establishment, we appeal to the  
people of Elk county, to say if it is not better  
to keep their money in circulation at home  
than to send it off to the cities where if they  
buy but little they are sure to get cheated  
and pay a good round sum into the bargain.  
Then let your motto be, never buy away  
from home what can be had just as cheap at  
home, and the cheapest place to buy Furni-
