BEALE'S

EMBRICATION!

FOR ALL DISEASES INCIDENT TO HORSES, CATTLE and the Human Flesh, requiring the use of an external application. This new Compound, prepared by a practical Chemist having a full knowledge of all the medicinal virtues of each ingredient that enters into its composition, is warranted to exceed anything of the kind yet offered to the public as an external application for the diseases for which it is recommended. We are satisfied that it will work its own road into the confidence of all who use it, and those who try it once will never be without it, and therefore we rely on experience as the best test of its usefulness. It is pronounced by Farriers, and all who have tried it to be the best application ever used. This Embrication has been put up for over eight years, and it is only through the increasing demand and urgent request of my friends and the Public that I send it forth as the grand remedial agent for the various diseases to which that noble and useful animal, the HORSE, is subject. Many remedies have been offered to the Public under different forms, some of these are injurious, others at best of little use, and many wholly improper to answer the purposes for which they are recommended. A judicious and really useful composition free from those objections, has therefore long been desired by many gentlemen who have valuable horses, and are unwilling to trust them to the care of designing and pretending Farriers. Their wishes are a length fully gratified, by Dr. Beale being prevailed upon to allow this valuable Embrication (which has proved so efficacious to the various diseases) to be prepared and brought out to the public. This Embrication was extensively used by the Government during the war. Address all orders to DR. EDMOND BEALE, 602, South Second St., Phil'a.

MANHOOD: How Lost, How Restored. Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrhea, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy, and Fits, induced by self-indulgence and sexual extravagance. Price, in a sealed envelope, Six cents. The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically. This Lecture should be in the hands of every youth and every man in the land. Sent under seal, in a plain envelope, to any address, postpaid, on receipt of six cents, or two post stamps. Also, Dr. Culverwell's "Marriage Guide," price 25 cents. Address the Publishers, CHAS. J. C. KLINE & CO., 127 BOWERY, New York, P. O. Box 4,585, Jan 19 1867
