All the medicinal virtues are extracted from them by scientific processes. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance contained in them in compounding the Bitters, hence it is the only Bitter that can be used in cases where alcoholic stimulants are not admissible.

Hooiland's German Tonic is a combination of all the ingredients of the Bitters, with such other ingredients as are necessary for the other diseases of the system. Debility. There is no medicine equal to Hooiland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the organs, cause an expansion of the chest, enable the lungs to digest & purify the blood, give a good, healthy complexion, eradicate the yellow fever from the system, and change the patient from a shriveled, emaciated, weak, and feeble creature, to a full-blooded, stout, and vigorous person.
