-The writer of this had the pleasure of a brief personal acquaintance with the subject of the above notice. Never did we see more resignation to her certain death, for months before her final dissolution than was evinced through patient suffering by after which the President introduced Hon. this most estimable lady. The ties that bound her to earth were regarded by her and Chairman of the State Committee. as only a faithful wife and true mother can leave them, and waited patiently until he

M. F. J.

The progressive and active Democrats of Horton township met at Oyster's School House on the 1st Listant for the purposs of organizing a Democratic Campaign Club for efficient service in the present canvass. The meeting was called to order by J. C. McAllister, who named J. S. Hyde as temporary President, and Alfred Short as Secretary. The house was filled to its utmost capacity, and with four exceptions, every voter in the house subscribed his name to the roll of the Club. After this, on permanent organization, the following officers were elected : President, John C. McAllister; Secretary, Alfred Short; Treasurer, T. J. Taylor ; Vice President, James Mc-

Horton will give a good account of herself this fall.

THE REPUBLICAN MESTING .- Quite an audience assembled in the Court House on Wednesday evening last to hear a refutation of the arguments of the Democratic speakers at the meeting on the evening previous. We confess that we expected to hear these gentlemen make speeches commensurate with the intelligence of their hearers. We were disappointed, so were the audience. The stale words "Copperhead," "Rebel," and so on, were frequently interspersed throughout their remarks. The true issue was almost totally ignored, No allusion to their plattorm was ventured. The firing of "Old Gudgeon" on the previous evening, seemed to disturb the nostrils of Col. Curtis, who dished up the closing scene, by the way he twirled those organs with his fore-finger and thumb, reminding one of a bum-boat woman crying out her wares to a ship coming into port.

Its no use, gentlemen. The word, "Copperhead," has lost its terror. The people don't care to have the gospel of hate preached to them any longer. They have had a surfeit of it. Their attention is now directed to a restoration of the country through the saving grace of the Democracy. and it will require mon of greater calibre than any of you to disprove that that is the only party which can accomplish that most desirable result.

DEMOCRATIC MEETING.

The Democracy in Motion-Intense Enthusiasm-" Little Elk " good for Seven Hundred Majority for Seymour & Blair-Music, Speeches and Firing of the " Old Gudgeon."

As an evidence of the way the political tide is turning in favor of our gallant standard-bearers, Seymour & Blair, we point with pride and gratification to the meeting held in the Court House on Tuesday evening last. The meeting assembled at 71 o'clock, and every few minutes could be heard the report of the "Old Gudgeon," which grated so harshly on the ears of some of our Radical friends as to make them remark that the persons who fired it were a good distance off when firing of cannon was the order of the day in Dixie. They were hugely mistaken in this, as the young gentleman who engineered the firing gave four years and five months to his country, and like thousands of others of the "White Boys in Blue," is going to vote for the can-

didates of the Democracy. The St. Mary's Brace Band had previously arrived, and the pleasing strains of the most excellent music it has been our pleasure to listen to for a long time, filled the sir, and added materially to the enthusiasm

of the meeting throughout. The meeting was called to order by Judge Messenger, who named J. S. Hyde, Esq., as President and Major Kretz and John F. Moore, as Secretaries. On motion of Maj. Kretz, the following gentlemen were chosen Vice Presidents:

C. Wainwright, of Beneset township. F. Sorg, of Bensinger township. C. R. Earley, of Fox township.

Thos. Campbell, of Highland township II. Horton, of Horton township. M. Spangler, of Jay township. Henry Warner, of Jones township.

E. C. Schultze, of St. Mary's Borough. J. Elliott, of Spring Creek.

W. C. Healy, of Ridgway. After the organization had been completd, Mr. Hyde arose, and in a few remarks, thanked the meeting for the honor conferred upon him, and urged that no stone should be left unturned to secure the victories which await us in October and November.

Mr. W. P. Furey, of Lock Haven, was introduced. We have frequently heard of Mr. Furey spoken of as an excellent publie speaker, but we had no expectation of being treated to so rare a specimen of eloquence as was so rapturously received by the immense audience. The speaker dilated on the present issues of the day, and charged on the Radicals the present deplorable condition of the country, said that the duty of the people was to deal with the present issues, letting the past be buried. His speech was listened to with marked attention, and as the elequently uttered sentences echoed through the hall, were fre-

quently applauded in the wildest manner. After the conclusion of Mr. "Furey's remarks, the band enlivened the audience with another piece of their excellent music, Wm. A. Wallace, our candidate for Senate,

Mr. Wallace laid open the misdoings of regard them, yet she felt that it was the the Radical party in that clear and practiwill of the Christian's Gost that she should | cal manner for which he is distinguished, so plainly, that only those who are irredeemably joined to the Black Idol of Radicalism could fail to feel the force of his remarks. He dwelt for some time on the reckless expenditure and waste of the people's money by the men who were sent to Washington to make laws for us. He said they had neglected their trust, and that they should be held accountable for it, and that he had made up his mind from the great change going on among the masses, that they would. Mr. Wallace concluded

amidst the most deafening applause. After a lively air by the band, Hon. Wm. P. Jenks was called upon. He took up the subject of finance, and demonstrated with precision that cannot be controverted that the Radical party arean entirely to expensive a concern for the people too longer retain in power. Mr. Jenks was very earnest in his efforts to convince the audience of the truth of what he said, and we believe that the thinking men of all parties cannot

fail to agree with him. After music by the band, Mr. John G. Hall offered a resolution tendering the thanks of the meeting to the members of the St. Mary's Band for the excellent music furnished, and to the speakers for the speeches delivered, which was adopted unanimously.

Three cheers were then given for the Democratic candidates, and the meeting adjourned.

ANOTHER DEMCGRATIC MESTING .- The Democrats of Ridgway township, having been imp ressed with the duty of organizing a Campaign Club, met in the Court House on Thursday evening last. On calling the meeting to order, it was found that the house was full, and that Mr. Jenks, of Jefferson, was still present, and that Hon. B. D. Hamlin, of M'Kean, had arrived. It was therefore concluded to postpone the forma-tion of the Club until Monday evening next, and as ammunition was plenty, pour another dose of hot shot into the broken ranks of Radicalism. Accordingly Hon. Jesse Kyler, of Fox township, was chosen President, and C. E. Beman, of Horton, Sec'y.
Mr. Hamlin, being called upon, made a
short speech, with telling effect, after
which Mr. Jenks completely sewed up the
trashy, clap-trap harangues of the speak-

ers of the previous evening.
Mr. John G. Hall and Judge Messenger afterwards made a few remarks, when the meeting adjourned.
