Reading matter in every page of the Advocate this week. Democratic Club meets to-morrow evening—Let there be a fall turn-out.

A Democratic daily has been started at Lock Haven by the Farley brothers. Success attend it.

A letter from Benecette has been received too late for this, but will appear next week.

We judge from the immense sales that Mrs. S. A. Allen's Improved (new style) Hair Restorer or Dressing (in one bottle) is preferred by every one.

LEA INOKEN.—A man named Hucklebee, employed at the Portland Mills, while engaged in drawing logs, by some means, had his leg broken below the knee.

A NEW PAPER.—A new Democratic paper is to appear shortly in St. Mary's under the editorial supervision of Mr. E. F. Hodges, formerly of Warren.

Purchasers of lands in St. Mary's at the last Treasurer's Sales, are informed that their deeds and bonds can be found at the office of Short, Hall & Co., at Saint Mary's.

The costs of sale must be paid on or before adjourned sale on the 31 of October next or the lands will be resold.

ACCIDENT.—On the morning of the 21st ultimo, Wm. McCauley, of Centreville, and Charles E. Beman, of Hellen, were driving down Brady Camp, when the horse frightened, threw the two men out of the buggy.

Distressing Occurrence.—On Thursday last, a young man employed by Mr. Hyvie, in this place, while engaged in putting resin on the belt of a threshing machine, had his right arm caught and mangled in a most horrid manner.

DEMOCRATIC COMMITTEES. We publish below the names of the gentlemen composing the Standing and Working Committees. This is done in order to let voters know to whom they may apply for documents, &c.

"Poor Tom's A-cold." How warm so'er the genial sun May look in kindness on the earth, In Tom Jones' veins no cheering warmth Disperses the gloomy sorrow of his soul.

For all thy ills a remedy is found, A Puncture, certain, pleasant, sure, PLANTATION BITTERS—S. T.—1860—X. A wonderful Tonic, made by Dr. Drake.

Our Radical brethren are getting in preparation a beautiful pole which they purpose raising in a few days. The pole is very handsome one, and it is a pity that such timber should be used for such a purpose.

A few days ago a Republican friend remarked to us, that as there was now two Democratic papers in Elk county that it would be to our interest to turn Radical. Well, now, reader dear, wouldn't that be hefty? Whoever heard of a Clearfield Democrat turning tail on his party or giving aid and comfort to the enemy? We are poor, of course—poor but honest—and we have too much self respect to be numbered with a party whose leaders are thieves like Butler, and murderers like Bingham.

To the Voters of Elk County.—Having been solicited by my friends of both parties to become an Independent candidate for Sheriff at the approaching election I have concluded to obey their wishes, and respectfully ask the support of all who may feel inclined to vote for me.

—If white men want to see what the South would be under Radical rule, let them look at Hayti. The main production of that country at the present time is revolutions.

—In the Georgia Legislature a Radical member recently read in place a bill suppressing all Democratic papers in the State. Free rations for negroes, but not free speech for white men, is the motto of the Radical party.

—It cost the people sixty-four thousand and nine hundred and eleven dollars to get witnesses before the Judiciary Committee of the House, upon whose evidence impeachment articles were drawn up. This is one dirty item the Radicals have to carry.

—The State Guard, the organ of Governor Geary in this State, says "there is more corruption to-day to attain favor in the gift of the Republican party, than disgraced the war to obtain contracts by which frauds on the government were perpetuated."

Idaho having also gone Democratic, it is fortunate for the Radicals that elections in Maine, Vermont and Tennessee are soon to be held. A succession of Democratic victories has almost crazed the brains of the Radical leaders and unless there soon be some change in the political programme they may be expected to do something desperate.

They will doubtless obtain great relief in the result of the elections in the States above named. If they do not carry them by increased majorities they may as well hang their harps upon the willows. In the last mentioned State Knowlton is fully prepared with his negro militia to prevent the few whites who were allowed to register from casting their votes.

A NEW REMEDY IN CONSUMPTION.—A Physician who had Consumption for several years, with frequent bleedings of the lungs, cured himself with medicine unknown to the profession, when his case appeared hopeless.

He is the only physician who has used it in his own person, or who has any knowledge of its virtues; and he now ascribes the degree of health he now enjoys to nothing but the use of his medicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others induced him to hazard the experiment.

To those suffering with any disposition of the lungs he proffers a treatment he confidently believes will eradicate the disease. Price \$1.50 per bottle, or \$3 a half dozen, sent by express. Send for a circular or call on Dr. E. Boyston, Jackson, No. 550, North Tenth Street, Philadelphia, Pa. [May 30, 66-ly]
