The Story of the "Blanket of Flowers" on Mrs. Astor's Grave an Invention Many women have visited Trinity emetery, One Hundred and Fifty-fifth street and Amsterdam avenue, in the past few days to see the marvelous past few days to see too marvenous "blanket of flowers" which was said to stoomery. Harristory and intermediate sta-"cover the casket" of Mrs. William Waldorf Astor, and which was to be "renewed every morning for a year" by Mr. Astor's order. Mrs. Astor was burled on Jan. 9, not in a vault, but in a grave, in the northwestern corner of the Astor plot. On the day of the funeral the mound of earth was covered with pine boughs. The evergreens have not been removed, and except at one corner, which has been uncovered by inquisitive visitors, the grass is covered with snow. The laborers in the cometery have swept a path through the burial plot, and about the grave a path has been trodden by men and women.

The cemetery employees have grown very tired of having their word doubted by women who inquire the way to the Astor vault and the blanket of flowers All this time Bell had clung tenaciously to the bag, in no case permitting himself to be parted from it,
and it was with him in the penitentiary.

His attorneys went there for it. Bell

The strong with the Chicago partial Astor vault and the blanket of flowers on the coffin. No flowers at all have been placed on the grave, and they can be for themselves that none can be put on the casket. So the women insist that the coffin is not in the grave, but in the s happy face. "Have you been skatall the morning?"
