BACTERIOLOGY.

Of Campbell's lives of the lord chan- work. He was in a dozen perilous posiof Campbell's lives of the lord chancellors, in the succession of which there was a possibility that he might himself appear, Lord Brougham said that it had added a new terror to death. Life has been so stuffed with now terrors by the bacteriologist that there is hardly room for another, and beside him the most prolls and prosaic historian and biographer becomes an innecent and flarmless figure indeed. There is hardly any physiological or moral condition which the colling of the companions, and the company of his companions, and company of his companions, and company of his companions, and the companions and courage. He was first in every danger, and at the most critical times he never lost his self possession and will power, and with his volunteer firemen he did yeoman service in trying to save Paris from the embrace of the fire fiend.

tom the patient is now assured that he

Colored Floridians In Clever. Nothing will kill a young negro but a charge of dynamite, and their stom-achs must be wonderfully and fearfully made. The freeze was an unmitigated blessing to them, and they luxuriated on frozen oranges for two weeks after-ward. It was fun to see them. They would gather around the various ship-ping points, and when a lot of fruit was dered to the cremator they would help ne of the boys would eat two dozen freeen oranges at a sitting, or standing, rather, and the feat did not seem to harm thens in the slightest Some of otblacks and newsboys made a who attempted the same performance would have had several different kinds of cramp colic in less than 15 minutes.

—Florida Times-Union.

up again by way of review

"What are the three things

Hears With His Mouth. and hearing, was in San Antonio today is at Sabinal. He was born ten years times, one little fellow lifted his hand ago. Both ears were closed at birth, and said. and they have never been of service tohim. But by a remarkable freak of un ture his mouth has done what his ear ought to have done, and he is not commoded in the slightest. Several lodoctors examined and tested the powof the mouth and pronounced the a phenomenon without a parallel.—

Our Actors. It is a remarkable fact that methe so called Irish comedian in country are Americans, and making the Buglish actors are Iriah.—New Co.

TOLD OF PRESIDENT FAURE.

All London is laughing now over a bit of testimony that was given in the hearings on Lady Henry Somerset's French American resident of New Organisade against the London music halls.

Not to be behind our own Dr. Parkhurst when he began his crusade, Lady Henry new president as a man of personal mag-Somerset determined to take the bull netism, of splendid executive ability and baugh, Gallitzin, \$420.

by the horns and cellect evidence herself. She secured another lady as zealous as herself as a companion, and the pair obtained the services of a young curate of their acquaintance as male estable.

Now, it happens that Lady Somerset is a women of very congrous proportions. is a woman of very generous proportions merchants in that city. He became also and withal so handsomely made that one of the most prominent men of the some of the ungodly have been wicked city politically, and just before the mough to suggest that her ladyship Franco-German war he was made first would make an enchanting living pic- "adjoint" to the mayor of the city and turn herself.
