A practical settlement of the Nicaraguan question was reached this week. Great Britain, it appears, has accepted a guarantee made by Salvador of the indemnity demand by Great Britain, has such a rich variety of elegant new styles, none which give such accurate information on dress direct from Paris, or is half so satisfying to the average female eye than just Toilettes. It has a steadily growing influence in shaping to pay and informed the British admiral in charge of the naval forces at Corinto of that fact, the admiral would be described as the most authentic fashion, guide of America.
