

ONCE AGAIN WE GREET YOU!

We promised to visit you every two weeks until mid-summer, so here we are again through the pleasant medium of the **Patton Courier**, for you will always find that we keep our promise. If we promise to sell you first-class goods at lower prices than others do for same quality, you can depend upon us doing it.

From Silks to Calicos, richness and simplicity, we carry the most complete line of

Summer - Dress - Goods.

As a tree is known by its fruit, so is a store known by its values and in that respect ours bears a rich fruitage indeed. From time to time we have been giving you lists of goods and prices. As the Spring time has waned and Summer already has a good start in the race, all sorts of thin goods and articles belonging especially to the season have **Dropped in Prices** and many things are considerably reduced.

Never were goods cheaper than now, in the memory of the "Oldest Inhabitant," nor were styles ever prettier or more attractive. You can buy many charming things with a very few dollars.

If you cannot come to us, send for the things you need and we will do our best to please. Goods can be returned if not satisfactory, if done at once and in perfect condition. Samples are cheerfully furnished.
