DEPOSIT NATIONAL BANK.

It Succeeded the DuBois Deposit Bank Last Monday.

A HIGHLY SUCCESSFUL INSTITUTION.

A Brief Resume of the Banking Business in DuBois.

A new departure in the scope, character, organization and field of usefulness of one of DuBois' most successful, progressive and yet popular and conservative business institutions occurs to-day.

The DuBois Deposit Bank is a thing of the past and when the doors within which its business has in the past been transacted swing open this morning it will be to admit the patrons of the Deposit National Bank, of DuBois, Pa., which was authorized by the controller of the currency on Sept. 30th to commence business as a National bank under the National Banking laws.

Simultaneously with the liquidation of the First National Bank, another private bank, known as the Bank of DuBois, was organized with Jas. E. Long as President and M. W. Wise as Cashier.

The Deposit National Bank Building.

A comparative statement of the deposits of the institution under consideration for six consecutive months respectively of the years 1891-3 and of the six months of the present year ending July 31st, a portion of the time covered by which has been one of wide-spread and far-reaching depression.

Table with columns: DEPOSITS, AVERAGE PER DAY, 1891, 1892, 1893, 1894, 1895.

This is assuredly a gratifying increase when the period during which it has been achieved is considered, as is also the fact of the ease with which the subscriptions for the increase in the capital stock were secured.

the est-ern in which it has been held in banking circles a road, and there is no reason for supposing that the Deposit National will not continue to merit and receive the same high consideration.
