**How Much Do You Know About Advertising?**

If you could get a bright little magazine every week in the year, brimful of helpful suggestions and experiences from business men who have learned how to advertise successfully, and bristling with ideas of celebrated specialists on advertising, would you mind paying \$1.00 a year for it?

**PRINTERS' INK**, a journal for advertisers, fills the bill. The subscription price is now \$2.00 a year. On Jan. 1st, 1896, it will be raised to \$5.00 per year. But the **COURIER** has made a special arrangement with the publishers of **PRINTERS' INK** by which business men may obtain this wonderful little advertising journal for a year or more at the rate of only \$1.00 per year by handing in the subscription price to us in time for us to get their names to New York before Jan. 1st, 1896. This is a great opportunity for business men. Step into the **COURIER** office early and subscribe for **PRINTERS' INK**.

Respectfully,  
**PATTON PUB. CO.**
