The bill carrying the appropriation provides that in expending it during the fiscal year covered, whenever a claim for pension under the act of June 27, 1890, has been or shall hereafter be rejected, suspended or dismissed, because of any defect or informality in the application, and a new application shall have been or shall hereafter be filed, and a pension has been or shall be allowed in such claim, such pension shall date from the time of filing the first application, proving the evidence in the case shall show the disability to have existed or to exist at the time of filing such first application, anything in any law or rulings of the department to the contrary notwithstanding.

Our people are growing more and more in the habit of looking to Patton Pharmacy for the latest and best of everything in the drug line. They sell Chamberlain's Cough Remedy, famous for its cures of bad colds, croup and whooping cough. When in need of such a medicine give this remedy a trial and you will be more than pleased with the result.

**WAR TALK GETTING QUIET.**  
A congratulatory dispatch from Emperor William, of Germany, to the president of the Transvaal republic aroused a very considerable degree of excitement in Great Britain, and for some days the press teemed with bellicose utterances. During the last few days the strain between the two nations appears to have relaxed, and there has been a return to a more peaceable tone in the outgivings in the press. The moderation and conservatism of President Kruger have constituted the most notable feature of the incident.

Of Interest to the Farmers Who Read the Patton "Courier."
