## NEWSPAPER LAW DECISIONS.

1. Subscribers who do not give express notice to the contrary are considered as wishing to renew their subscriptions.  
2. If subscribers order the discontinuance of their papers, the publisher may continue to send them until all arrears are paid.  
3. If subscribers neglect or refuse to take their papers from the postoffice to which they are directed, they are responsible until they have settled their bills and ordered them discontinued.  
4. If subscribers move to other places without informing the publishers, and the papers are sent to the former address, they are held responsible.  
5. The Courts have decided that refusing to take papers from the office or removing evidence of intentional fraud, is prima facie evidence of intentional fraud.

## Not His Ideal.

A minister once in a neighboring town, all weary from working long, asked of his church a month or so rest that his worn form might be strong.  
Then up rose a deacon old and remarked with animation, "All have doubts here and Satan takes no vacation."  
The pastor rose to make reply and looked at the deacon grim, "Satan's ways have not been mine, would you have me imitate him?"

## To Florida.

It would be hard to find any condition of human ailment that a winter visit to Florida would fail to improve, while those who enjoy good health cannot realize, without experience, what true joy there is in life passed under the golden skies of the "Land of Flowers."  
In order to give the public an opportunity to visit Florida at a very reasonable cost, the Pennsylvania Railroad company has arranged for a series of tours to Jacksonville. Since the system of personally-conducted tours inaugurated by that company has been in effect, none but words of commendation have been received. Its unexcelled train-service, experienced tourist agents and chaperons, and above all, its moderate charges, leave nothing to be desired.  
The tours to Jacksonville, allowing two weeks' stay in Florida, will leave New York and Philadelphia on January 28, February 4, 11, 18 and 25, and March 3, 1896. The rate, including transportation, meals en route, and Pullman berth on special train, is \$50 from New York, and \$48 from Philadelphia; proportionate rates from other points.  
For further information apply to ticket agents, or address Tourist Agent, 1186 Broadway, New York, or Room 411, Broad Street Station, Philadelphia, to whom application for space should also be made.  
The little daughter of Mr. Fred Webber, Holland, Mass., had a very bad cold and cough which he had not been able to cure with anything. I gave him a 25 cent bottle of Chamberlain's Cough Remedy, says W. P. Holden, merchant and postmaster at West Brimfield, and the next time I saw him he said it worked like a charm. The remedy is intended especially for acute throat and lung diseases such as colds, croup and whooping cough, and it is famous for its cures. There is no danger in giving it to children for it contains nothing injurious. For sale by Patton Pharmacy, C. W. Hodgkins.  
1876 Climax Brandy.  
From grape wine, has, by its extreme age and constant care while in uniform temperature and pure, sweet atmosphere of storage houses for fourteen years, become a rival of the Hennessy and other brands of Cognac Brandy, and much lower in price, and preferred by the physicians of Philadelphia, New York, and other cities. Buy it at druggists.

# WARD and McKELVY

having recently opened a Merchant Tailoring establishment in the Solomon building are glad to be able to state to the people of Patton and surrounding community that they have already plenty of work, and glad to be able to extend thanks for the liberal patronage and gentlemanly treatment we have received since coming in your midst, we respectfully request a continuance of the same, promising to make our best effort to please, and give you good value for your money.

Don't think because we say we have plenty of work we are not wanting your order for a suit or pair of pants, for we do, as we will arrange to take care of all that comes as promptly as possible. You know this is the dullest time in the year for the Tailoring business and that is the very reason it is the best time for you to get a Suit or Overcoat made. It won't cost as much as next spring when we are over run with work, for that's what we are going to be. We know from experience that we can fit you. Also know we are going to treat you well and not overcharge you, and there cannot be, "we think," any reason why you should not give us a trial, after that you are sure to come back.
