done to be sent here?" I whispered.
"Done?" the inspector replied grim-"Set a house on fire in the hope of Cilling a man with his wife and five

sarily sharp ears, for, although we lieutenant of the Psiyang cruiser Tsiwere standing at some distance away. Yuen, having succeeded the late Shen part of the beard what he said, and she gave Shon Ch'ang, another returned American standard who was killed while are were standing at some distance away. Yuen, having succeeded the late Shen him a glance such as I hope never to can student, who was killed while comdiabolic; had there been a knife within action of the late war at the mouth of much the man would have died on the the Yashan river, Kores, July 25, 1894,

went for killing their own children: badly wounded and was therefore ad-some for killing or trying to kill their vised to leave his ship and go to Che-husbands; others for stealing or ember-ding; others again for no more serious crime than begging. There are all de-grees of guilt there, in fact, and all see, from girls of 16 to women of nea:

Ternsed to do, declaring that his drive to the emperor demanded his remaining at his post." After having had his wounds hastily dressed, the late lieuerms of perfect equality, for there are board, although he had to be supported see distinctions of rank there—no one is by an attendant in doing so. Shortly Then the convent door closes behind he still refused to retire, remaining bg, not only with the outside world, ward a shell from the enemy's batteries with their own past. They start life almost annihilated the gallant officer. sh, as it were. - Cornhill Magazine.

For those who have no knowledge hatever of French the fashion magas and the menu cards of restaurants le with di nge words are ventured upon, it is ith fear and trembling—which the re-fit often justifies. The following is a ort list of some of the most used and

Chous (shoo)—A small resette. Chie (sheek) is untranslatable, but ethaps "stylish" comes nearest to its section book meaning. In its own home the word is slang and considered vulgar. French ladies do not say "chie" any store than we say "nobby"—which ford is really its equivalent.

Peignoir (payn-war)—A wrapper as the as it can be made. Saute de lit (so-de-lee) being our

Cerise (sir-ease)-Cherry, hence the time of the color.

deaux (bahn-do)-Braids of hair. utache (sco-tash)-Braid for trim Bis de veau (ree-de-vo)-Sweetbreads.

Bonillon (boo-yon)-Clear soup. in thicken sauces. Saute (so-tay)-Lightly fried in but-

shes as appetizers served after the bp.—Philadelphia Ledger.

In a certain manufacturing town in Corkshire it was a common thing not the sufficient money wherewith to build houses for themselves.

A great deal of rivalry existed among igee men as to who should have the get house, with sometimes curious tectural results. A and B were two dvals. A having built a house, B, chose turn soon afterward came, deterned to "best" him. So he called in a Asked what aspect he would like to house, B, scratching his head, inred: "Aspect! What's that? Has A

one?"
"Why, of course," said the architect. "He couldn't possibly"-"Then put me on two!" was the compt and emphatic reply.—Strand
