PATTON PUBLISHING CO., Proprietors.  
THURSDAY, APRIL 9, 1896.

### NEWSPAPER LAW DECISIONS.

1. Subscribers who do not give express notice to the contrary are considered as wishing to renew their subscriptions.  
2. If subscribers order the discontinuance of their periodicals, the publisher may continue to send them until all arrears are paid.  
3. If subscribers neglect or refuse to take their periodicals from the postoffice to which they are directed, they are responsible until they have notified their bills and ordered them discontinued.  
4. If subscribers move to other places without informing the publishers, and the papers are sent to the former address, they are held responsible.  
5. The Courts have decided that refusing to take periodicals from the office or removing and leaving them uncollected for, is prima facie evidence of intentional fraud.  
6. If subscribers pay in advance they are bound to give notice at the end of the time if they do not wish to continue taking it, after which the publisher is authorized to send it and the subscriber will be responsible until an express notice, with payment of all arrears, is sent to the publisher.

### Put-Up Charity.

She stepped from her carriage, a vision of wealth,  
Her gown was a joy to behold;  
A little girl, hungry and broken in health,  
Stared shivering there in the cold.  
She gave her a penny, her wish to relieve,  
But oh! it were better, I guess,  
Had she spared just a bit from her big balloon shoes,  
To make the poor creature a dress.

### To the Federates.

Whenever you go to cross a street,  
And see a wheelman hold and feet,  
Don't go ahead with unconcern,  
But dodge and hesitate and turn,  
Now back and forth, and twist and stew,  
And make him ride both sides of you,  
And never touch a single hair,  
Or have him shot right then and there.

### Soda Water.

C. W. Hodgkin's  
Patton Pharmacy.  
Soon time for fittings.  
Trailing arbutus will soon be all the rage.
