SHOPPING BY MAIL

Last May we made a sensation in Central Pennsylvania by receiving foreign orders. Express on all goods ordered by mail. Thousands of new customers report us as the great concern. We have made new friends, who never knew before what a prompt, satisfactory, non-exaggerating Mail Order House we had built up here in Altoona.

This Fall we expect to double our Mail Order customers—we hope to count YOU as one.

We simply ask that you send us a letter or postal card requesting samples of what ever goods you may wish to purchase. If you like the samples, you have it! You can only come to us a sample to try.

Thousands have been delighted with our service—we believe we can please you.

We accept Postage and Express on all goods purchased; but we do not ship any goods unless money is inclosed with your order—how much, why. We can't trust you; and we can't trust some and refuse others. We pay cash, and we ask cash; that's why we can sell Dry Goods as cheap as anyone else, and freight the Postage on Express orders.

But you can get your money back by return mail if you are not satisfied.

WILL YOU LOOK AT OUR SAMPLES?

A Poster Dream.
I saw great beasts with horrid claws, I wrestled with a dragon,
Don't think I had been drunk, because I never take a "jag" on.
I saw the fiery world burn, in the But nothing of the upper.
'Twas but a poster dream, you know—I saw a million pigs for supper.

On Friday night Patton Lodge, No. 1088, Independent Order of Odd Fellows, held its first annual banquet at the Commercial hotel. About forty couples were present and the affair was pronounced a grand success. Among the guests from out of town were the Hon. A. A. Barker, of Ebensburg, and Dr. Elias, of Hastings.

Imitation goods are gotten up for the ignorant and gullible. The persons able to read and write are not so easily fooled. They will insist that Hires Rootbeer is handed them, and nothing else "just as good." The best imitation is no good, and you know it. Refreshing to campaign paraders.

Landlord A. E. Cushing, of the Commercial hotel at Barnesboro, is indulging in the reputation of the boss eel fisherman. Wm. A. Mellon, the popular proprietor of the Patton hotel, is surely keeping space with the times. He has recently added to his bar a new brand of liquor which is called the "Gold Standard" and "16 to 1." The liquor is put up in pint bottles and McKinley's likeness is on the gold standard bottles while Bryan's is on the 16 to 1 flask.

Wonder what will be next?

In reference to the "Republican Meeting" article in the Hastings Tribune of last week, Bro. Kaylor stated that "Editor Greene of the PATTON COURIER was present etc." Owing to sickness Mr. Greene was not at Hastings that night, but his heart was with the patriotic "boys" who "composed" the parade, as the Tribune states. Better put on your glasses next time Bro. Kaylor.

An exchange says men have various ways of carrying their money. Butchers, grocers and bakers carry it in a crumpledwad, bankers in nice clean bills laid out in full length in a morocco pocket book. Brokers always fold their bills twice. The young business man carries his money in his vest pocket, while the sporting man carries his in his trousers pocket. Farmers and drivers carry theirs in their inside pocket. Editors carry theirs in other people's pockets.

Passenger train No. 704 on the Cambria & Clearfield division of the Pennsylvania railroad, which is due in Patton at 10:47 a. m., met with quite a destructive wreck on the branch between Kaylor station and Ebensburg on Thursday. The train was going eastward with the engine running backwards, but hailing the train, when the tender jumped the track under the overhead bridge near Kaylor. The tender knocked one of the props from under the bridge, and the whole structure came tumbling down causing a wreck that blocked the tracks for several hours. It was a miraculous escape for the 75 passengers aboard as none were injured in the least. The trainmen escaped uninjured also.

New Shoe Store.

This week we will complete our first month's business in Patton, which has been very satisfactory, taking into consideration the condition of the times and that we are strangers to most of you. Indeed it has been far beyond our expectations. Experience has taught us, as it has many of you, no doubt, that the store which gets out for its goods is the one and only one that can make the old-time credit chaps squirm. We had several years experience in a credit business, and know whereof we speak. When you buy shoes from us you are not expected to help pay for what that other fellow forgot to pay. He may not have intentionally forgotten to "come up," but he did; therefore the only thing left to do is tack on a little extra profit to even up, and you who pay must help.

Well, There May Not Be Anything wrong about that way of doing business after all. We should always be willing to help our fellow man. But it don't seem to be the proper way to me. Does it to you.

What We are After is Business, More business, and if you have not been to see us, come in and see the Men's B.Calf and Cong. all styles, sewed, we are selling for \$2.25. And the Men's Navy Calf, and Cong. all styles, sewed, at \$1.50. Then the B.Calf, all styles and sewed. It is the banner bargain. See it sure. If you want a better shoe, then take a look at the Kangaroo for \$2.75, and the Calf shoe, hand sewed, \$2.75; then the B.Calf line. They are stylish and up to date.

3 SPECIALS 3

In Ladies' at \$1.25, \$1 and \$2.25, lace and button. Your especial attention is called to the \$2.50 shoe. It's as good as others sell for \$3. You will never century it after wearing too nice a shoe.

LADIES

READ THIS.

I am fully convinced that the Ladies of Patton appreciate and demand that which is up to date. What part of their attire are they most particular about? Why their Shoes of course. That is why I have put in the elegant line of Shoes which are positively the very latest out. Such as the 20th Century, Low Cut, Large Button; also same thing in lace; also a large assortment of Oxfords in both tan and black, prices to suit all. Ask my clerks to show them to you. I know you will be pleased.

At no time in the history of Patton has there been such a large and magnificent stock of

Dry Goods

as are on my shelves. I haven't nearly enough room to display them, consequently there are many pretty things in my stock which I know you have never seen. Just think, beautiful wash Silks at 20c. per yard—can't be beat in Phila. You will find my clerks only too glad to have the pleasure of showing these goods to you.

It is a well established fact that nothing but the very choicest

Groceries

are on my shelves which I aim to sell at the very lowest prices possible.

My stock is complete. There is scarcely an article in use that cannot be had in my store.

I WOULD ALSO

Like to state that if at any time you desire anything from the City I will cheerfully get it for you at exactly the same price you would pay if you were right in Wansmaker's store yourself.

Kindly give me a call and be convinced that I am selling the best goods for as little money as you will find in large cities.

GEO. S. GOOD.
