For a living with my hands,
Nearly a dollar I have accumulated,
That I've earned on earth and sea,
But the dollar that is "too good"
Never came in sight of me.

Reunion at Apollo.
The famous old Eleventh Pennsylvania Reserve regiment will hold its eighth reunion at Apollo, Pa., October 15. It is expected that Gov. D. H. Hastings, State Treasurer B. J. Haywood, Auditor General Amos H. Mylin, General Thomas J. Stewart, and many other prominent visitors will be present. This regiment was organized in response to the call for volunteers by President Lincoln, and early in 1861 marched to the front under the command of Col. Thomas F. Gallagher, who is a few months was compelled to resign by ill health. He was succeeded in command by Gen. B. M. Jackson, who led the regiment through the balance of the war. Of the 2,000 regiments in the Union armies during the war of the Rebellion, the records show that the Eleventh Pennsylvania Reserves stand among the first in casualties, "killed in service or died of wounds." W. H. H. Bell, of this place, was a member of the regiment and he and his wife departed on Wednesday for Apollo, to attend the reunion.

It is surprising to many that foot ball players and other athletes regard a sprain or bruise of so little consequence. One reason of this, they know how to treat such injuries so as to recover from them in a few days, while others would be laid up for two or three weeks, if not longer. Writing from Central State Normal School, Lock Haven, Pa., Mr. W. H. Losch, captain of the base ball club and gymnasium says: "I take pleasure in stating that members of our base ball club and myself have used Chamberlain's Pain Balm with most excellent results. I unhesitatingly recommend it as the best remedy for sprains, swellings, cuts and bruises, of any that I know." For sale by C. W. Hodgkins, Patton Pharmacy.

Old Time Firemen.
It would have taken a big fire to have had much show against the firemen who were in the city during the last week. "What would you do with a big fire now if one should start?" asked a representative of The Democrat of Chief Nollinger, of the Philadelphia department Thursday.

"Why, we'd smother her out in less time than it took to start it," said the popular chief.
It did not require a knowing one long to discover that among the visitors to Johnstown were some of the best fire fighters in the state, consisting of the members of the paid departments of Allegheny, Pittsburgh, and Philadelphia. Some of them have seen many years of service in the big cities and wear medals as testimonials of their efficient work in the various departments. A few of them were active workers during the big Chicago fire in 1871. Chief Thomas G. Sample of the Allegheny department wore a solid gold medal on which is the inscription, "Presented to Thomas G. Sample by the citizens of Chicago for gallant and meritorious work during the Chicago fire."—Johnstown Democrat.

They are so little you hardly know you are taking them. They act quickly, cause no griping, and are most thorough in their effect. Such are the famous little pills known as De Witt's Little Early Biscuits. Small in size, great in results. C. W. Hodgkins, Patton Pharmacy.

The Best for Children.
"I believe Chamberlain's Cough Remedy is the best for children I ever used. For croup it is unequalled. It is a splendid seller with us."—T. M. Eckles, Ph. G., Manager Wampum Pharmacy, Wampum, Pa. When used as soon as the first symptoms appear, that is as soon as the child becomes hoarse or even after the croupy cough has appeared, it will prevent the attack. The mothers of croupy children should bear this in mind and always keep the remedy at hand. It is also the best medicine in the world for colds and whooping cough. For sale at 25 and 50 cents per bottle by C. W. Hodgkins, Patton Pharmacy.

LADIES

READ THIS.

I am fully convinced that the Ladies of Patton appreciate and demand that which is up to date. What part of their attire are they most particular about? Why their Shoes of course. That is why I have put in the elegant line of Shoes which are positively the very latest out. Such as the 20th Century, Low Cut, Large Button; also same thing in lace; also a large assortment of Oxfords in both tan and black, prices to suit all. Ask my clerks to show them to you. I know you will be pleased.

At no time in the history of Patton has there been such a large and magnificent stock of

Dry Goods
as are on my shelves. I haven't nearly enough room to display them, consequently there are many pretty things in my stock which I know you have never seen. Just think, beautiful wash Silks at 20c. per yard—can't be beat in Phila. You will find my clerks only too glad to have the pleasure of showing these goods to you.

It is a well established fact that nothing but the very choicest

Groceries
are on my shelves which I aim to sell at the very lowest prices possible.

My stock is complete. There is scarcely an article in use that cannot be had in my store.

I WOULD ALSO
Like to state that if at any time you desire anything from the City I will cheerfully get it for you at exactly the same price you would pay if you were right in Wanamaker's store yourself.

Kindly give me a call and be convinced that I am selling the best goods for as little money as you will find in large cities.
