

# The Choice of PHILADELPHIA AND NEW YORK

I NOW HAVE IN MY STORE.

Having spent the greater part of last week there selecting goods and spared no pains in getting the most desirable Goods of all description. I am one of the very few in Cambria County, and the only one in Patton, that goes to the city to buy Goods, the rest have to take only what agents chose to carry around with them.

The latest things  
**IN DRESS GOODS!**

I have the largest and finest line that has ever been brought to Patton, goods to suit, and I know to please everyone, ranging from 10 cents per yard to \$1.50 per yard, and I must say some very handsome patterns.

One very nice feature about the most of these Dress Goods is that they are in Dress Patterns of about 7 yards each so you will have the only dress of that kind in this part of the country.

Come in and see them.

THE HOLIDAYS

—FOR—

**SILKS,**

And I have them to the Queen's taste. You have no idea what an enormous stock of SILKS I have in both Waist Patterns and the Piece for Trimming. Watch the window, it will change very often in my endeavor to show these goods.

I bought all these goods at the very lowest price possible and will give my customers the advantage of all the bargains I made.

NOTIONS

It seems by the

**CARLOAD.**

I hardly know where to put all the pretty things I bought in this line. Anyway if there is anyone in Patton that cannot find something in my stock to please them I should like very much to take that party's

**ORDER**

The next time I start for the city.

My Stock at Present is  
**Enormous, Elegant, Choice, and**  
**WONDERFULLY LOW IN PRICE.**

Come in and see for Yourself and encourage me in trying to secure for Patton a place where you can come and be equipped as one of the most stylish Ladies in

Patton or Philadelphia.

## MY TOY WINDOW

Will Convince Everyone That

I have the largest line of TOYS that has ever come to Patton and they are selling wonderfully low in price.

There is no reason why the CHILDREN cannot have at least a Portion of their letters to Santa Claus answered this XMAS. They are going very fast so I would advise that you make your selections early before the choice things are gone.

Ask my Clerks, they know what the Children want, they haven't been listening to their talk the last few days for nothing.

Thanking you for FAVORS in the past,

# GEO. S. GOOD.
