THE BELL CLOTHING HOUSE

OPPOSITE THE BANK.

The first week in every year we take our annual inventory and see how our stock

have a heavy line still unbroken in lots of numbers that sold at 1.00, 1.50, 2.00, to 4.50 a set, your choice of any lot now at 1/3 off the price

We have a lot of broken sizes and lots of different lines which we are always glad to close out at bargains. We will offer you inducements which you must take advantage of. Remember we never carry over any stock if it can be sold at a price.

Granite and tinware at half-price. We have a few dozen Ladies' and Children's shoes, value \$1.40, which we are closing out at 90 cts. Early buyers get the choice. Men's all-wool pants worth \$3.50 going at \$1.55

We are furnishing men's black worsted suits, all-wool and silk faced, worth \$12.00 at \$6.50. Men's black chevot suits at \$2.95, worth double this price.

Remember this is no offer that we don't keep. We do just as we advertise and you need not ask for the Reduction. This is our offer and we fully carry it out.

Don't send your money out of town for trash. Keep it at home where you help build up the town, thereby making your own property more valuable.

If you buy from fake sales you get caught—Who ever heard of Bell selling a \$25.00 suit for \$14.00? I don't ask any such foolish prices and the people here know it.
