"Women are needed in fiction."  
"We naturally hear people say  
And we mean that it's right for it seems their  
"To always 'love, honor, obey'."

"They say that every fashion, when  
It drops it for a season,  
Is certain to come back again  
In spite of rhyme and reason.  
It's worth the trouble that returns,  
At least to make it,  
May be much surprised to learn  
There'll be no effort to hide it."

Boys—To Mr. and Mrs. L. S. Bell a daughter on Tuesday.

Robert Gorley made a business trip to Clearfield on Saturday.

Mr. and Mrs. Harry Atkinson, of Honesdale, visited relatives in Patton during the past week.

Harry Gould, who was attending court at Clearfield all last week, returned home on Saturday.

When you take a trip to Ebensburg stop at the Blair home and you will be well cared for. Accommodations excellent and rates moderate.—49-14.

Wm. Frazier has removed his tenorial anchor to the Miller block. He has fine quarters now and can wait upon customers to the "Queen's taste."

Did you ever hear Trinity church bells of New York play "Where is my wandering boy tonight?" If not, you can hear it at the Phonograph concert on Friday night.

The ball held by the Patton base ball club on Monday night was a success. The music was furnished by the Patton Mandolin and Guitar club. Everybody present seemed to enjoy themselves.

The chalk talk and festival held in the Firemen's hall last Friday night was a grand success in every particular. The proceeds, which were for the benefit of a public school library, amounted to nearly \$85, clear.

Harry Cooney, who is night watchman on the P. R. R. locomotive, deserves credit for giving the fire signal on Saturday morning by blowing the whistle of the locomotive. Harry is a member of the fire company and acts his part well.

E. E. Turner, of Compton, Mo., writes us that after suffering from piles for seventeen years, he completely cured them by using three boxes of DeWitt's Witch Hazel Salve. It cures hemorrhoids and severe skin diseases. C. W. Hodgkins, Patton Pharmacy.

Frank Smith, Harry Smith, Zeke Matheson, Geo. Idings, Dennis Nolan, Allen Dillon, Thos. Dubbs, Chas. Wall, Joseph Leona, Conno Ammerman, composed a party who went to Philadelphia on Saturday. Some of the boys attended the masquerade ball held there on Monday night.

A great many men throughout the country, including plenty of really well fellows, have got it into their heads, rightly or wrongly—and we are by no means sure that it isn't rightly—that there is no reason why any man should pay more than \$3.00 to \$5.00 for a pair of shoes, and to say the least, the idea has this foundation, that excellent shoes are now made for \$3.00. To pay \$3.00 to \$5.00 for a pair of shoes is simply throwing away money, and in many cases this is done to gratify a mistaken notion that none but your favorite shoemaker is worthy to adorn your feet. The recent improvements in shoe machinery make it possible, as shown by the well-known W. L. Douglas \$3.00 shoe, to produce a shoe to-day that will compare favorably in style, wearing qualities and comfort with those offered at \$5.00, \$6.00 and \$10.00 per pair. See the advertisement of the W. L. Douglas shoes which appears elsewhere in this issue.

If you have ever seen a child in the agony of a cough, you can appreciate the gratitude of the mother who knows that One Minute Cough Cure relieves their little ones as quickly as it is administered. Many homes in this city are never without it. C. W. Hodgkins, Patton Pharmacy.

After the big fire in Oripple Creek, I took a very severe cold and tried many remedies without help, the cold only becoming more settled. After using three small bottles of Chamberlain's Cough Remedy, both the cough and cold left me, and in this high altitude it takes a meritorious cough remedy to do any good.—G. B. **A Long Reach**  
The way to make money reach a long way is to invest it right. The first cost is the point where a shortsighted man stumbles on the road to economy. He thinks it extravagant to pay \$14 for a suit of our Clothes when \$13 will buy a suit somewhere else. He forgets that the \$13 suit won't last very long or look very well. Maybe it will fade the first time the sun shines on it.  
Price and quality ought always to be considered together. Price alone means nothing.  
The only way to sell Clothing is to sell the best. We buy the best made and fitting suits in the market. We can sell an all-wool suit at 5.00, 7.00, \$10.00 and no other house can beat the price which is ONE here with us, we treat all alike and our trade shows us to be winners.  
New Spring Stock coming in every day. Come and see for yourself.
