A STRANGE COMBINATION. That I want to talk about this time. Shirts and Wall Paper—they are the only two Spring lines that I have received in stock, so far but, they are so very extensive that I haven't even space to tell all about them. I have an enormous stock of Shirts of all styles and they will be sold more reasonable than ever before. I believe I am safe in saying that I have more Shirts than all the rest of the Patton stores put together; and then some. Everyone knows that last Spring I had the largest line of Wall Paper that was ever brought to Patton. Well this Spring my stock is twice as large as it was then. All the very newest styles and at Prices that defy competition. Come in and see this enormous stock. If there is any one who wishes to paper their home with some of the very best paper made I want to say that I have a sample book in the store from which I can Paper on very short notice. As my stock arrives I will make mention through this column. Keep your eye on it as it alone proclaims the opportunity of Patton people. Shoes will be next. Wait on them, they will soon be here, and I know very well it will pay you to do so. GEO. S. GOOD, PATTON, PA.
