Mr. Dunkelheim — Oh, my guests seemed to be all mistaken. Judging by ways came ashere, the fisherman puling their presents, they must have thought on the cars and the crow sitting along. I celebrated my silver plated wedding. -From the German.

Tops are cut from pieces of hex, abony or other hard wood by a tuming machine. The machine is automatic and turns the top complete from the handle at the upper end to the tip. 'The metal parties?" point is afterward put in by hand.

London's population increases by 70,- it is said only the or two persons are

EXACTING DISCIPLINE.

Bereit, E Bronders Phillip Gilbert Hamerton was, dur bond the victim of a seve and cruel discipling. His father was a nan of ungovernable temper and irregular life, who had no sympathy with childish foibles and whose only idea of

What he hated most was a lie or the what he hated most was a lie or lise shadow of a lie, and so bitter was this aversion that Philip was sometimes punished unjustly. He was expected to practice with dumbbells 15 minutes evsy morning. This exercise was taken in the garden, but before beginning he always looked at the clock in the sitting room. One day the father met him and

"Have you done your 15 minutes?"

"Yes, pape."
"That is not true," said his sunt from the next room. "He has only practiced for ten minutes. Look at the

The hand stood at 10 minutes past 1 and though the key protested that he had begun at ten minutes before the hour the "additional lie" put his father in a fury, and he was ordered to prac-tice continually for two hours. And, though the child was ready to drop with fatigue long before the 120 minutes rere over, not one of them was remitted .- Youth's Companion.
