Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconveniences manipain, disease or inconveniences manifested in the kidneys, back, bladder or urinary passages is often, by mistake, attributed to female weakness or womb trouble of some sort.
