Resolutions of Respect.

WHEREAS, The Almighty in His infinite wisdom has removed from our midst another honored member of this Grange—our venerable brother, Hon. A. A. Barker, after a long life of exceptional usefulness as a citizen of the county and State. Therefore be it Resolved, That on the death of Brother Barker, while cheerfully bowing to the dispensation of the Allwise and Merciful Creator, we feel that this Grange has sustained an irreparable loss, he being the oldest in years of the many who constitute the membership of the Grange in Cambria county.

We, the undersigned, do hereby agree to refund the money on two 25-cent bottles of Baxter's Mandrake Bitters, if it fails to cure constipation, biliousness, sick headache, or any of the diseases for which it is recommended. Also will refund the money on a 50-cent bottle of Down's Elixir, if it does not cure any cough, cold, croup, whooping cough, or throat or lung difficulty.

Announcement.

I hereby announce myself as a candidate for the nomination of Assembly subject to the rules of the Republican party of Cambria county governing the same.

Consumption is now known to be curable if taken in time—the German remedy known as Otto's Cure, having been found to be an almost certain cure for the disease. Asthma, bronchitis, croup, coughs, colds, pneumonia and all throat and lung diseases are quickly cured by Dr. Otto's Great German Remedy.

Two years ago R. J. Warren, a druggist at Pleasant Brook, N. Y., bought a small supply of chamberlain's cough Remedy. He sums up the result as follows: "At that time the goods were unknown in this section; to-day chamberlain's cough Remedy is a household word."
