Ostrich.

Once an Ostrich named Miss Jennie Broke into a Hardware Store, the had never seen so many bainty things to eat before. the at once begin to swallow She at once begin to swallow
Files and gimlets bright and new,
Tacks and screws were next to follow
Knives and hammers went down too.
Hinges, locks and keys went in het,
do did weights upon the scales Hinges, locks and keys went in her, So did weights upon the scales, And she finished up her dinner On a keg or two of nails. Greedy bird to eat so many; Not a single thing was baked Was it strange that naughty Jennie Told her ma her "tummock ached."

She could of finished up on Garden Tools, Cinderella Stoves and a car load of Doors and Sash at
