The Don's Dream.
A Spanish Don of high degree,
Who commanded a ship which sailed
Dreaded a dream, I have repeat,
Of Spanish victory and American defeat.
He dreamed as he sailed the ocean wide
With a fleet of vessels by his side,
That he captured Dewey and his little fleet,
And called home America's defeat.
But that Spanish Don of high degree,
Who dreamed that dream as he sailed the
sea,
Lies "neath the waves," 'tis said, but true,
For he tacked Dewey and his boys in two.

Newspaper for Scalp Level.

The Tuesday's Johnstown Democrat says that Editor W. A. Kinison, late of the Patton Semi-Weekly Herald, which lived only a few weeks when the proprietor concluded to invade Ebensburg, where he landed as the editor of the Ebensburg Democrat, has been investigating newer fields. The report comes now that he had his investigating apparatus up in Scalp Level last week, with a view of removing his plant to that place and giving the Wumber and Scalp Level people a "straight-haired" newspaper. It is not known what conclusion, if any, he has reached.

The Best Remedy for Rheumatism.
From the Fairhaven (N. Y.) Register.

Mr. James Rowland, of this village, states that for 25 years his wife has been a sufferer from rheumatism. A few nights ago she was in such pain that she was nearly crazy. She sent Mr. Rowland for the doctor, but he had read of Chamberlain's Pain Balm and instead of going for the physician he went to the store and secured a bottle of it. His wife did not approve of Mr. Rowland's purchase at first, but nevertheless applied the Balm thoroughly and in an hour's time was able to go to sleep. She now applies it when she feels an ache or pain and finds that it always gives relief. He says that no medicine which she had used done her as much good. The 25 and 50 cent sizes for sale by Patton Pharmacy, C. W. Hodgkins.

THE WONDERS OF SCIENCE
Lung Troubles and Consumption Can be Cured.

An Eminent New York Chemist and Scientist Makes a Free Offer to Our Readers.
The distinguished New York chemist, T. A. Slocum, demonstrating his discovery of a reliable and absolute cure for consumption (Pulmonary Tuberculosis) and all bronchial, throat, lung and chest diseases, stubborn coughs, catarrhal affections, general decline and weakness, loss of flesh, and all conditions of wasting away, will send THREE FREE BOTTLES (all different) of his New Discoveries to any afflicted reader of the PATTON COURIER writing for them.

His "New Scientific Treatment" has cured thousands permanently by its timely use, and he considers it a simple professional duty to suffering humanity to donate a trial of his infallible cure. Science daily develops new wonders, and this great chemist, patiently experimenting for years, has produced results as beneficial to suffering humanity as can be claimed by any modern genius. His assertion that lung troubles and consumption are curable in any climate is proven by "charitable letters of gratitude," filed in his American and European laboratories in thousands from those cured in all parts of the world.

Medical experts concede that bronchial, chest and lung troubles lead to consumption, which, uninterrupted, means speedy and certain death.

Simply write to T. A. Slocum, M. C., 28 Pine street, New York, giving post-office and express address, and the free medicine will be promptly sent. Sufferers should take instant advantage of his generous proposition. Please tell the Doctor that you saw his offer in the PATTON COURIER.

According to the newspapers, an Ohio husband became the happy father of seven children not long ago. Of the seven all lived but one. It is to be hoped he laid in a supply of Chamberlain's cough Remedy, the only cure for croup, whooping-cough, colds and coughs, and so insured his children against these diseases. For sale by Patton Pharmacy, C. W. Hodgkins.
