THE HAWAIIAN QUESTION.

It is now settled by agreement of the house, after a large majority, including members of all parties, had shown its power, that the Hawaiian annexation should be voted upon some time this week. Its adoption is certain. Speaker Reed's friends are trying to square him with the friends of annexation by declaring that he has been misrepresented that he never had any idea of allowing his personal opposition to annexation to cause him to try to stand in the way of a majority of the house getting to a vote on the resolution. Some of the leading annexationists assert that the Speaker has killed his political future, but wise politicians are not yet investing any money in mourning for the alleged corpse.

A GIVE AWAY, SURE.

The New York Journal "stole a march" on the New York World Monday by proving that its large contemporary acknowledged the fact of "Pifering the News." Col. Rufus W. Thentz figured quite conspicuously in the matter. It was a good "catch" and some of the COURIER's contemporaries better look a "litter out" or they might accidentally get acquainted with Guilaes Lacol Retam, the Spanish spy of Brazil, who is reported to be circulating through Cambria county, especially where the large iron and steel and coal and coke plants are situated.

SECRETARY ALGER thus answers the critics of the War Department: "I do not believe that history records an instance where so much has been done in a military campaign of this magnitude in the brief time that has elapsed since hostilities began. I challenge the records. There is an abundance of supplies at the disposal of the government. Everything needed for the army is either on the ground or in the process of transit. Within a week, or a fortnight at the most, the required supplies and equipments will be delivered to the troops. In two weeks every man in the army will be fully equipped for the war."

Mr. Isaac Horner, proprietor of the Burton House, Burton, W. V., and one of the most widely known men in the state was cured of rheumatism after three years of suffering. He says: "I have not sufficient command of language to convey any idea of what I suffered, my Physicians told me that nothing could be done for me and my friends were fully convinced that nothing but death would relieve me of my suffering. In June, 1894, Mr. Evans, then salesman for the Wheeling Drug Co., recommended Chamberlain's Pain Balm. At this time my foot and limb were swollen to more than double their normal size and it seemed to me my leg would burst, but soon after I began to use the Pain Balm the swelling began to decrease, the Pain to leave, and now I consider that I am entirely cured. For sale by Patton Pharmacy, C. W. Hodgkins."

The human machine starts but once and stops but once. You can keep it going longest and most regularly by using DeWitt's Little Early Risers, the famous little pills for constipation and all stomach and liver troubles. C. W. Hodgkins, Patton Pharmacy.

"There's no use in talking," says W. H. Broadwell, druggist, La Cygne, Kas. "Chamberlain's Colic, Cholera and Diarrhoea Remedy does the work. After taking medicines of my own preparation and those of others' I took a dose of Chamberlain's and it helped me; a second dose cured me. Candidly and conscientiously I can recommend it as the best thing on the market." The 25 and 50 cent size for sale by Patton Pharmacy C. W. Hodgkins.

Gents— I was dreadfully nervous, and for relief took your Karl's Clover Root Tea. It quieted my nerves and strengthened my whole nervous system. I was troubled with constipation, kidney and bowel trouble. Your Tea soon cleansed my system so thoroughly that I rapidly gained health and strength. Mrs. S. A. Sweet, Hartford, Conn. Sold at Corner Drug Store.

S. M. Geary, Pierson, Mich., writes: "DeWitt's Witch Hazel Salve is curing more piles here to-day than all other remedies combined. It cures eczema and all other skin diseases. C. W. Hodgkins, Patton Pharmacy."

A. H. Patter, with E. C. Atkins & Co., Indianapolis, Ind., writes: "I have never before given a testimonial in my life. But I will say that for three years we have never been without Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house; and my wife would as soon think of being without flour as a bottle of this Remedy in the summer season. We have used it with all three of our children and it has never failed to cure—not simply stop pain, but cure absolutely. It is all right, and any one who tries it will find it so." For sale by Patton Pharmacy C. W. Hodgkins.

Hundreds of thousands have been induced to try Chamberlain's Cough Remedy by reading what it has done for others, and having tested its merits for themselves are to-day its warmest friends. For sale by Patton Pharmacy, C. W. Hodgkins.
