trouble in regards to damage suits. . WAR COMES HIGH, Although the war with Spain lasted only 114 days, it is estimated that it has cost the government so far \$150,000,000, of which \$98,000,000 have been actually paid out of the treasury. Beginning with March 1, when the first increases in the expenditures in anticipation of war became apparent in the daily exditures of the treasury, the actual liabursements on this account have

been approximately as follows: March--Army, \$600,000; navy, \$2,-400,000; total, \$3,000,000. April-Army, \$1,200,000; navy, \$9, 800,000; total, \$11,000,000.

May-Army, \$12,000,000; navy, \$7,-000,000; total, \$19,000,000. June-Army, \$16,500,000; navy, \$6,-500,000; total, \$23,000,000. July-Army, \$29,500,000; navy, \$5,-

996,000,000. The appropriations made by Congress on account of the war aggregated about \$360,000,000, and cover the time to Jan. 1, 1899.

PUBLISHING THE TRUTH NOT LIBEL Judge Spencer handed down a decision in St. Louis the other day on the rights of newspapers to plead in justification in libel suits that the articles sued on were true. The point came up for a motion for a rehearing of the case of Charles B. Stark vs Publishers Geo. Knapp & Company, in which

Patton Courier. Stark sued for damages on account of articles published. Judge Spencer refused a rehearing of the case, which
